TEASE!

THIS · MONTH · IN · CLUB

I'm taking no responsibility for this issue at all. I've been off living the glamorous and exciting life that an Editor of such an internationally renowned and respected magazine like Club should invariably do. I've been doings loads of interesting things like getting my teeth drilled, appearing on the popular TV show *OK 2 Talk Bollocks*, waiting in for the gas man, stuff like that.

Of course, while I was out a huge posse of squirming, stunning nymphomaniacs hammered loudly on the door of the palatial Club HQ demanding to be given a 16-page spread and a chance to find out if I really wear boxer shorts with little, green frogs on. Being as I was out of the office having something hard and long shoved down my neck by my friendly neighbourhood dentist (Dr Aaaaaargh, MD, PhD, Piss Ed), they had to make do with molesting Rob 'Swinger' Swift, who you can see in all his baffling glory on page 42. Rob now

looks considerably slimmer.

Talking of Rob, letters have flooded in (this phrase © Editorial Cliches Inc 1991) commenting on our Meet The Staff series. "We're not in the least bit interested in naked women," writes NJ of Broadmoor. "Why not have a whole magazine with nothing but Meet The Staff features? I would gladly buy 5,000 issues just to show my great appreciation!" That's a very interesting idea, NJ, but unfortunately everyone else said the series was a complete load of utter crap, so we'll just keep it going in Club for six months or so, then ditch it, OK?

Must go now, as Ginny has promised to lovingly massage my lower right jaw while we wait in for the electricity man together. Cheers – Ed. ♣

the girl you've asked to see

Tattoo's company — that was your verdict after Paula showed us her very private one in our last issue. Norwich's 19-year-old tart with a heart near her part proved that not all Norfolk was flat and dull. No wonder her friends in the Fens wrote to us to say she was the pick of the Broads.

"Those tits are really tremendous," said Ted of King's Lynn. "We've been having bets. Are they 36 or 38?" She tells us they're 38.

"I love the fact that she says she loves men with intelligence rather than muscles," added John from Oxford who's reading English Literature and Club. "Any chance of her leading a debate?" Paula says, "No way!" But we reckon her pictures will have you mass debating again and again!

So here's a brief reprise. We promise to show all of Paula again soon. ♣

IN·THE·BAG

Turned On

What a refreshing change to see that in Club, unlike your so-called competitors, none of the girls are into collecting antiques, running posh boutiques or bloody horse riding. Instead, like the rest of us, they like a good shag!

Take Sally in Vol 20 No 3, great tits, beautiful arse and to top it all off — she talks dirty! What a turn-on! It seems to me that Club just gets better every month. — *Lee, Chelsea*

Ooh, Clare!

I'm a 20-year-old brunette, and I'm a lesbian. I've been told by both men and women that my long legs, bouncy boobs and slim waist are all attributes that make me very attractive. I've only ever had one lover, with whom I had a passionate and long-lasting affair, but she's recently left me for a fella!

To relieve my boredom I like flicking through my old copies of Club, as your gorgeous girls really turn me on. One of my favourite girls is the beautiful blonde Clare, and I often lie awake at night pretending that she is in bed with me, her pussy pressed to my red lips and my tongue lapping up her love juice. Club is always full of the most wonderfully lickable, kissable boobs I've ever seen, and I'd love to have a pair of them dangling over my open mouth, the nipples hardening to the touch of my tongue.

Another fantasy of mine is to have Clare lying between my parted thighs, opening my pussy lips wide so her tongue can explore me. I really love frigging myself as I watch two raunchy lezzies fuck each other, and a lot of my girlfriends agree with me — *Sara, Berkshire*

Going Down?

I must tell you about a recent experience which taught me a valuable lesson. I'm a 20-year-old university student and at the beginning of this term an incredibly beautiful girl joined our class. Sandra not only had a gorgeous face, but also a fabulous figure. I just couldn't keep my eyes off her!

Sandra soon realised that I was constantly staring at her, but she seemed to like it. She would put on a very sexy expression, pouting her luscious red lips or pulling her skirt up a little to expose her shapely legs. I also caught her sneaking glances at me from time to time.

This flirtation went on for a couple of weeks before we found ourselves alone in the lift at our hall of residence. Just being close to Sandra began to heat up my cock, but I was so naive I didn't know how to approach her. The only thing I could think of was to ask her if she'd lend me some lecture notes!

Sandra nodded, and then suddenly pressed the emergency stop button. "Is that all you want from me?" she murmured, moving closer and placing her hand gently over the bulge in my trousers. I couldn't believe this was happening, but the pulsating pleasure rising from my crotch confirmed that I certainly wasn't dreaming.

I took Sandra in my arms and ~~kissed~~ her passionately. My hands roamed over her body as she ground her pubic mound against my groin. She groped for my zip, and before long her soft fingers had snaked into my boxers and encircled my throbbing cock.

Sandra sank to her knees in

Dear Racquel,

I just had to write into Club after I saw the pictures of you that appeared in Vol 20 No 3. Wow!

One of my favourite fantasies is to fuck a beautiful girl on a deserted beach, and those pictures certainly got me going!

I can just imagine walking along an empty beach following a fresh pair of footsteps in the sand. As I near the end of the beach, it curves round and what sight greets me? It's you, Racquel, you're lying naked on the sand sunbathing. What happens next? I'll leave that up to you! — *Simon, Poole*

Mmm — sun, sea, sand and... Simon! Just like you, I've had a fantasy about fucking on a sandy beach. I love the feel of water lapping around my thighs, the salty taste of the sea water and a hunky fella to rub suntan oil into my boobs! — ***Racquel*** ♣

front of me, pulled my trousers right down, and planted her hungry lips around the tip of my dick. Her tongue flicked across my helmet, lapping up the pre-come that was oozing out, and then she began to suck more of my hard cock into her mouth. She cupped my balls in one hot hand as her lips gripped my shaft, pumping it firmly.

My climax was building up so strongly that I couldn't have cared less that we were in a lift. Sandra's sexy red lips were a dream come true! I stroked her fine hair as she sucked more avidly, until I suddenly released a stream of creamy spunk into her mouth. She kept sucking and licking until she'd milked me of every last drop.

After that, I just couldn't wait to fuck Sandra, but she pointed out that if we didn't put the lift back into action soon, we might bring attention to ourselves. So we started the lift up, went straight to my room, and spent the rest of the day in a very steamy sex session. And I never did get round to borrowing those lecture notes! — *Jack, London*

Female Flasher

I don't suppose that this is a common pastime among your many women readers, but I just *love* flashing in parks. There's something incredibly horny about discreetly showing off my pussy to the right guy when he's least expecting it.

Recently, though, I more than met my match. I strolled out on a sunny lunchtime to the local park, and settled

BIFF! SPLAT!!! POW!!

When Gotham City is taken over by an evil bastard (again), there's only one man who can come to the rescue. That man is Batman...

But forget the original Mr Nice Guy, Bruce Wayne and that cardboard cut-out Michael Keaton in his version — 'cos this Batman is a twisted psychopath haunted by the death of his parents and hell bent on retribution against everyone.

In *Batman: The Cult,* you can follow the re-born superhero in his quest to save Gotham City, and for a comic with not the slightest hint of a tit in sight it's not bad at all. In fact we'd go as far as to say that it's a must for any Batman fan, especially if you enjoyed the ravings of the Dark Knight graphic novel of a couple of years back. But if you're not familiar with the new-look Batman don't buy this expecting a book about a guy who minces around in a black leotard and fishnet stockings, followed far too closely for comfort by that flouncing little fucker, The Boy Wonder.

Published by Titan Books, *Batman: The Cult* is available at the price of only £8.50 — a holy steal considering that the original four-issue comic now sells for upwards of £50.00 (to people who are stupid enough to spend the price of 40 pints on kiddy crap).

Definitely *the* graphic novel of 1991. *(Hold on, isn't this the* only *graphic novel we've had this year?— The Ed).* ♣

GOBBLE!

*Follow the further antics of **Nathaniel Fatbastard** as he squeezes his well-fed bulk onto the small screen and finds about another meaning to the term 'viewing figures'...*

One of the problems of having an enormously popular column is that people, particularly women, want me to expose myself more often. Take television. Only the other day, youth producer Janet Street-Walker said she was dying to squeeze me into her slot. And Channel Bore's *Media Programme* presenter Emma Rhoid has proven a right pain in the arse attempting to get me to do some tongue wagging on the box with her.

Even bigwigs like Terry Wogan and Bruce Forsyth have come within a fake hair's breadth of asking me to take over their shows, and consumer mouthpiece Esther Rantbag of *That's Trite* all-but-insisted I became one of her new presenters helping out with her camp pains. Like all the rest, I turned her down. In Esther's case, I knew I wasn't up to it. I don't have an incredibly stupid hairstyle and can't fake sincerity that badly. Besides, who wants to sit opposite a woman with more choppers in her gob than Linda Lovelace has had in her entire blue movie career.

However, as a hotter property than the caretaker's cottage at Chernobyl, I recognise my pulling power, and by popular demand occasionally I let everything go, come into your living room and flood the place with my warmth. Recently, for instance, I have been much in demand as a panellist on game shows. The first one was the pathetic *Ball My Muff* (BBC2, 8.30, Wednesdays) chaired by Robert Pompousperson. I was to be on Frank Manuir's side and only agreed because the other team member was comedy actress Felicity Fondle, who I've admired for years — from behind.

The bad news was that I had to face Arthur Marsehole, a fat poof with more camp than Butlins in Bognor, and invent daft explanations for fucked old words. I couldn't believe that a game show in the 1990s still relied on a handbell and bits of cardboard with the word 'BLUFF' written on them in felt pen!

"Aha, so there we have it," said Pompousperson, an elderly intellectual with a hairstyle like an Easter egg in a basket.

"Glidgeworthihood. Is it, as Frank says, a disease of sheep; a 14th century word for the roof of a cottage, as Felicity espouses, or, nay, mayhap, can one countenance Nathaniel's definition — the feeling you get just before you throw up a particularly appalling curry? Arthur, plump away!"

The tubby old queen got every single one of the fuckers right.

Even so, I was immediately approached to appear on that half hour of teatime tedium, *Cuntdown* (Channel Bore, 4.30, weekdays) with Richard Deadly. I was to be in 'Dickhead Corner', recently vacated by jumper-wearing, knitwit, Gyles Badbreath. I was supposed to be making words out of a selection of letters, however, I found myself staring at the tits of their resident mathematician. In the break, I managed to get her behind the blackboard, and express my admiration.

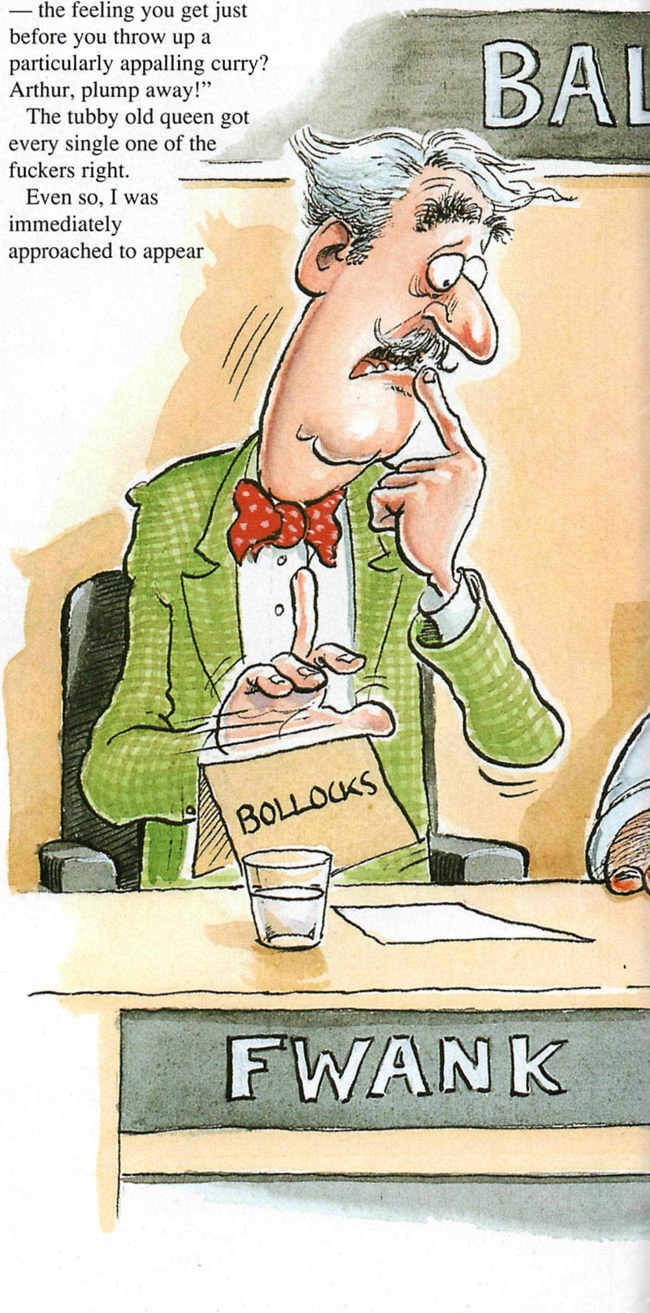
"You can't half add up quickly," I whispered ingratiatingly.

"Oh, thanks," she replied with a shy smile.

I grinned slyly. "If you'd like to come back to my place after, I'll show you how to multiply!"

She hit me so hard I thought the ringing in my ears was for the start of the next round.

I realised after that that I was wasted on daytime TV,



so I turned down offers to appear on the morning drinking game, *Lucky Bladders*, the afternoon darts game *Bullshit*, and mimimg marathon *Give Us a Screw,* with Lino Bleuggh and Liza Goodandhard. I did audition to join Angela Ripoff as a celebrity guest on *What's My Big Job?* — but my mime was deemed obscene by the producers. I also rejected *Every Minute Mounts,* starring midget magic man Small Daniels and his wife, Plebbie. I know it's on at peak time, but I can't stand the little cunt.

Instead I went over to satellite station, Bloody Shyster Bastards, or BShyB as it's known. Here I was actually offered the chance to host my own show, the hugely popular, *The Prize is Shite* (BShyB, 7.00, Saturdays). All I had to do was invite four members of the audience, made up entirely of council house cretins, to 'come on down' and guess the prices of the sort of tawdry tack these morons cream their supermarket jeans over.

High as a kite on Asti Spewgrandli champagne (£1.50 a magnum), these high-rise hopefuls jumped up and down screaming to be picked as soon as I appeared in my borrowed blazer. I couldn't help noticing a braless blonde in the fifth row whose massive mamms moved so much she threatened to dent the floor and smash the lighting.

"You there with the enormous tits!" I cried ebulliently. "Come on down!"

As she came down the aisle enthusiastically she knocked three grown men unconscious, two on the left and one on the right, and sent a rostrum camera crashing to the ground. As she joined the other cot-death contestants, I knew right away, that she was going to win.

"Now, contestants, can we have a price for this?" I bellowed loudly.

The curtain rolled back to reveal a foam-filled plastic-covered mock leather three-piece suite — a bigger fire risk than holding a barbecue on the Northern Line of the London Underground.

"£500," said the first competitor, somewhat optimistically.

"£399," offered the second, a plumber from Birmingham.

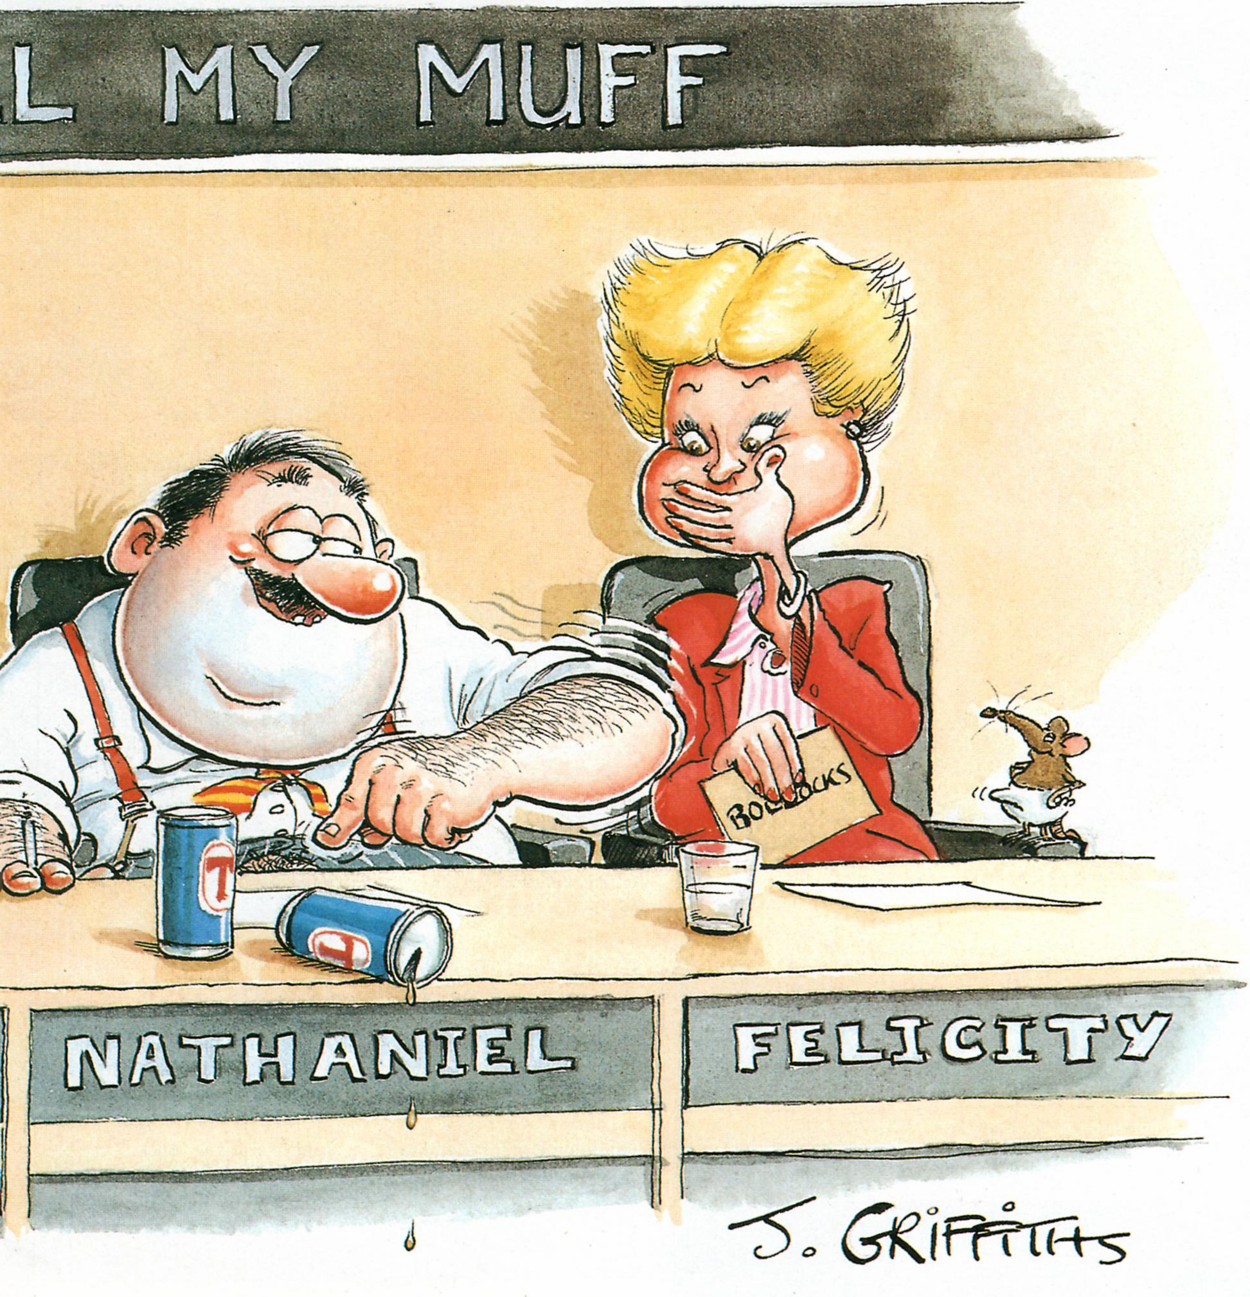
"£480," suggested Sharon, an airhead hairdresser. Then top-heavy Topsy had her go.

"Errr," she said mulling it over the empty recesses of her brain. "Umm. How about £3,950?"

"The correct price is..." I screamed, chucking away the card with £49.50 on it, "£4000!! Sold to the girl with the garbonzas!! You win the fabulous three-piece suite and go through to the final where, if you correctly name the price of ten items, and answer a general knowledge question, you could win tonight's star prize, the Cosytrail supa-cramped CARAVAN!!!!!" Fuck me, with prizes like that no wonder they're queueing up to win a *Wankety Wankety* cheque book and pen.

Sadly no amount of cheating got our tit-laden trooper through the primary school entrance-level general knowledge question. Still, the suite came in handy. In her gratitude, her knickers were the first to "come on down", followed by her face onto my fun turret as we rolled about on the tacky plastic sofa.

Unfortunately the big old clock on the wall beat us once again — as did her husband. Ten minutes into our celebratory shag, he came to pick her up, and wasn't expecting anyone to strike it lucky on his wife's hotspot. The rest of the series has had to be postponed until I'm out of intensive care.♣



SON OF BAD JOKE

Yes, folks, this is the bit that you read when you're really bored and haven't got anything better to do, and then regret it for days afterwards. This time Marcus from Newcastle shares his jolliest joke with us...

A travelling salesman is crossing the country when his car breaks down. It's late at night so he walks to the nearest farm and asks the owner if he can spend the night there.

The old farmer says sure, but the salesman will have to sleep with him and his wife because there is only one bed in the house. The farmer's wife is a gorgeous blonde with a mouthwatering body which gives the salesman an instant hard-on.

When they're all in bed, the farmer's wife tells the salesman she'll fuck him, but only if he makes sure her husband's asleep. The salesman plucks a hair out of the farmer's arse, and when he gets no response, he fucks the wife.

A little later he feels horny once again, so he plucks out another hair from the farmer's arse. The farmer doesn't stir, so he fucks the wife again. The third time he feels horny he plucks out another hair.

"I don't mind you fucking my wife," the farmer yells. "But don't use my arse as your bloody scoreboard!"

Well, Marcus, you've got our pity and, hell, we're the generous sort here, so have a Club T-shirt as well, although we reckon a straight-jacket would be more use. ♣

Tacky Crap Roadshow

Antiques expert, ***Hugh Scruffy****, takes a piece of modern crap that might just be worth a fortune in years to come, but probably won't...*

Now here 's a fascinating piece of automata from the early 1990s. From the marks on the base I'd estimate that it was made between four and four-thirty in the afternoon on Wednesday of last week, although it's hard to be more accurate than that. Obviously one of a set, if I'm not mistaken it comes from the F Hinds jewellery and horology stable. Known as the ***Rock 'n' Roll Chick Alarm Clock***, it's a timepiece of some delicacy, beautifully crafted and inlaid in plastic to form part of a guitar played by a big white chicken.

But what makes this remarkable item so popular with collectors is its unique chime. No mere bell or buzzer sounds when the alarm goes off, but instead, issuing from the bright yellow beak come the words "Wow! Hey baby! Wake up! Come on, dance with me!"

What a delight to see; a superb precision piece of engineering so typical of the late half of the 20th century. You know I've been doing the Roadshow for about three minutes now and I would have to say that this is, without doubt, the best timepiece of its type I've ever come across.

What's it worth? Well, if you're lucky enough to spot one, a dealer will expect around £34.95, but of course it's worth a lot more to the true connoisseur of complete crap. Personally I wouldn't give it house room, but that's because I've got one already.

Avid collectors might like to know the others in this series are a cat that plays reveille on the bugle and shouts "Wake up, rise and shine!" and a golfer who cries, "Wake up, you're going to miss your teetime. Time to drop a new ball!" And if that doesn't turn you into a murdering bastard on the bus to work, then nothing will. ♣

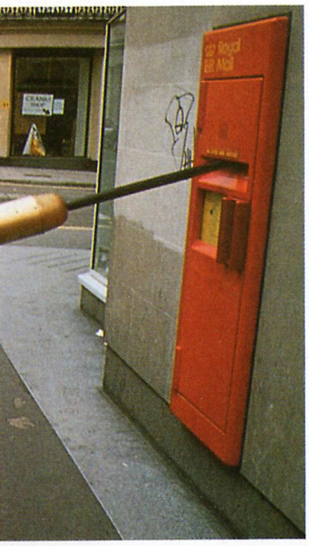
Ever wondered who's got the biggest prick in London? *(Me, me! —The Ed.)* Well, as you can see from these exclusive pictures that's an accolade that goes to 'environmental artist' John Powers — and it's at least 1200 inches long! *(Ed looks inside his trousers goes bright red and then scuttles off to the toilet with a piece of string and a 6lb weight.)*

Of course, you may have gathered by now that when we say 'prick' we aren't actually referring to that small, pink thing that dangles reduntantly between your legs. We are referring to a different sort of prick altogether.

John Powers, whose previous exploits include sticking a four foot long Elastoplast over the crumbling Berlin Wall, is a man who knows all about pricks. After all what exactly *do* you call a man who wanders around Central London with a 15 foot long dart? When quizzed on why he was being photographed outside such salubrious locations as The Stock Exchange, Trafalgar Square



and Downing Street, our eccentric friend abruptly replied, "I'm making a point, of course!"

Of course you are John. Now just put this luverly white jacket on, and step inside this quaint yellow van, purlease!! ♣

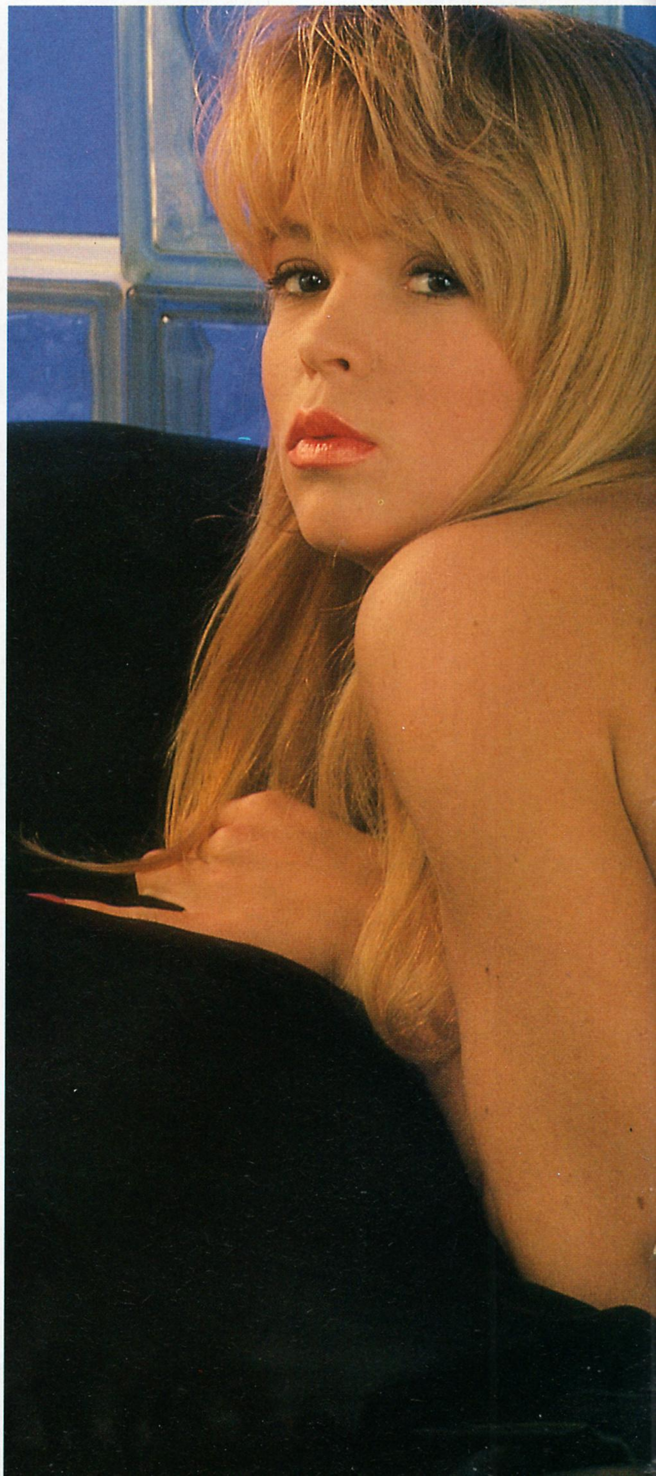
“I work as a life-model at my local art college,” 19-year-old Cassie told us proudly when she came to do this, her very first set for Club.

“It all started off as a bit of a joke about a year ago. The fella I was seeing at the time was studying for a Fine Arts degree, and he was always going on about how tasty the models looked. One week, I thought it would be a real laugh if I turned up in place of the usual girl who poses naked.

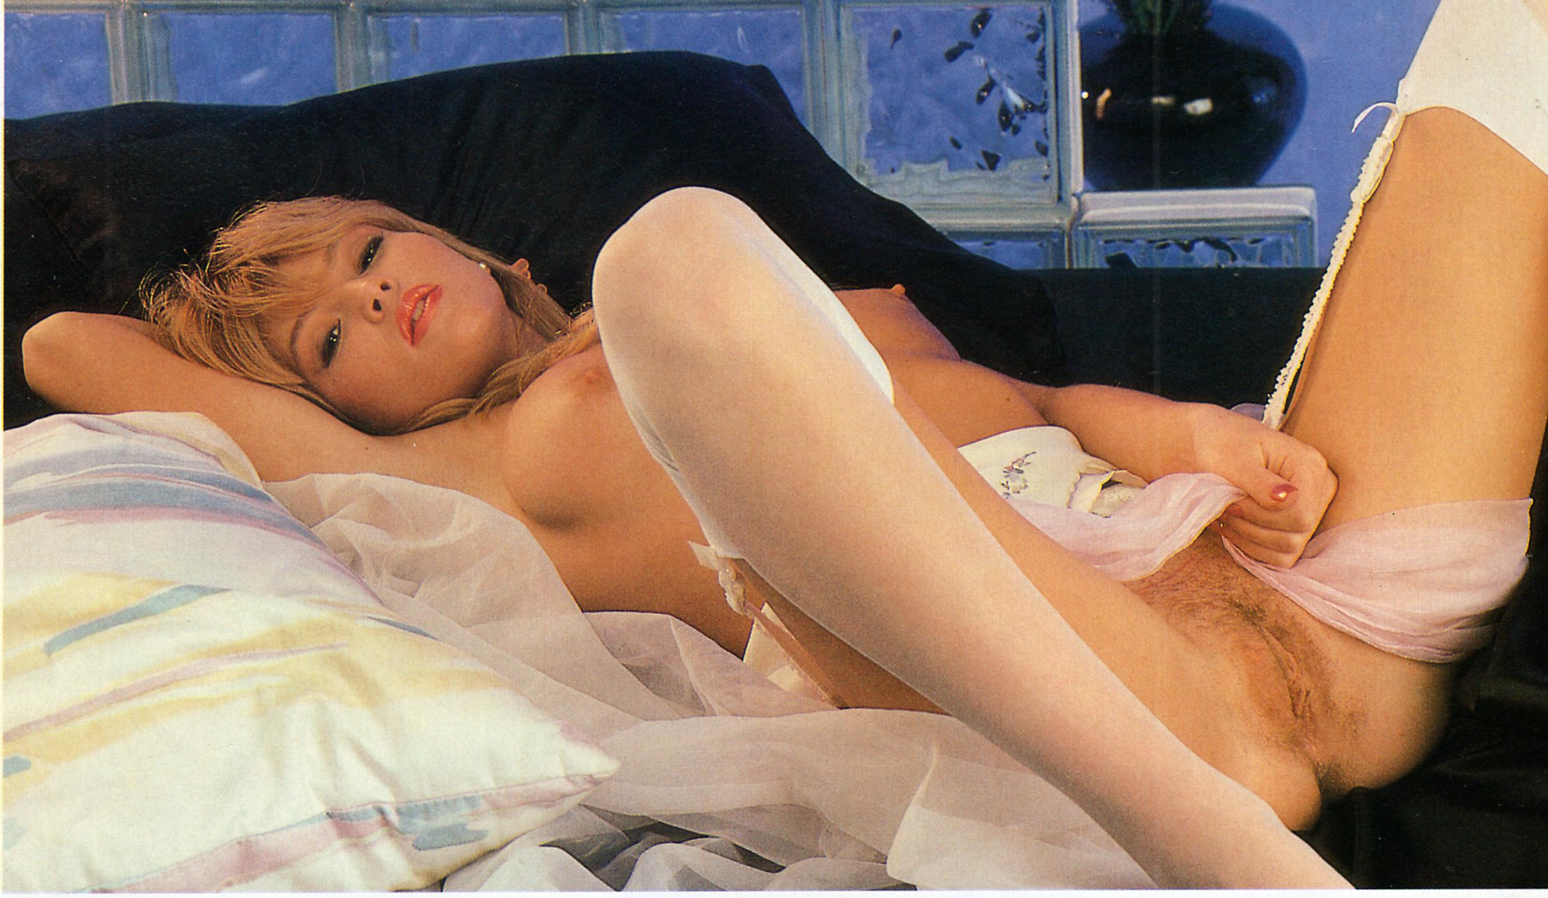
“His jaw hit the ground when I



walked in! Once he'd picked himself off up the floor, his hand was shaking far too much for him to draw — the poor guy had to disappear into the toilets!

"Mind you," Cassie laughed, "none of the other students seemed to mind one little bit!"

Yep, being naughty is a real art, eh Cassie!♣



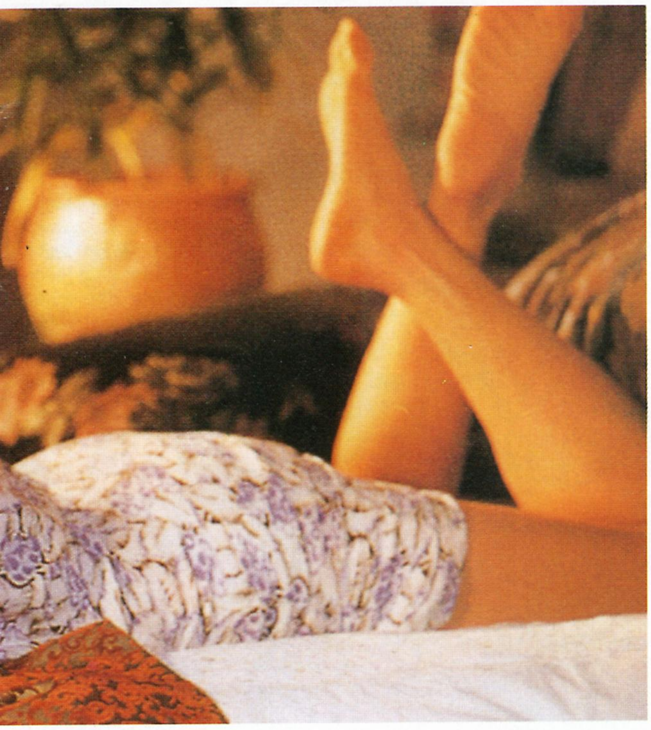
SUSANNA hoffs

The Bangles were one of the biggest all-girl bands of the 80s, but even more memorable than mega-hit songs like Manic Monday *was their stunning lead singer, Susanna Hoffs who's carving out an even sexier solo career. Club's pop expert,* **Ron Dubbs***, joins Susanna on her side of the bed...*

"We used to be pretty wild, I guess," says Susanna Hoffs, former front person with all-girl American band The Bangles. She sips nothing stronger than a cup of tea as she talks about her crazy days with the group. She can confess all now, as The Bangles split up just over a year ago.

After the split, Susanna made a conscious decision to give up drinking because, in her own words, "When I used to drink I used to do the most outrageous things at parties." She won't go into specifics — "I don't do that stuff anymore," she says abruptly — but her account of how she first succumbed to the demon drink gives some clue as to what she got up to in later years.

"I remember the first time," she grimaces. "I had a couple of friends round and one of my brothers was there too with this bottle of vodka. We were so stupid because we didn't realise that you could mix it with orange juice or tonic. So we drank it neat. I



remember thinking, 'God, being grown up is going to be awfully hard if I'm going to have to enjoy drinking this stuff all the time'. Next thing I knew I was completely drunk and I got the urge to take all my clothes off. My friend found me naked on the bathroom floor feeling really sick."

"Guys would even throw their underwear on stage"

Susanna grew up in Los Angeles, where she still lives, and although she went to a rather hip high school, where homework came a boring second to surfing and beach parties, she was too busy studying to have a wild social life. It was not until college that The Bangles first met and things rapidly changed.

"When the group got together we started having really crazy parties. Can you imagine whole housing blocks being taken over for one party? It was just wild! We used to party with all the other local bands and go on road trips and make out under the stars."

Were there male groupies?

"Well," she admits, "there were men who had ideas about being physical with us. We'd have guys coming backstage and kissing us. Guys would even throw their underwear on stage."

Strangely enough it wasn't men Susanna needed protecting from — it was women. While the group were out in Holland on tour they were approached by a group of girls. "They accused us of pandering to men by wearing short skirts on stage," recalls Susanna. "So we invited them over to talk to us to quieten them down. We offered them a few drinks — that was our big mistake. They forgot all about feminist politics and started getting frisky. They were lesbians! One put her arm around our drummer Debbie and another put her hand on my knee.

"We told them to stop it and that we weren't into that sort of stuff, but they wouldn't. So we had to make a run for it," Susanna laughs.

"I got the urge to take all my clothes off"

These days she's living a lesbian-free life with actor Donovan Leitch who was digested recently by a huge ball of slime in a remake of *The Blob*.

Donovan himself had a reputation as a bit of a wild one at college. One former student friend described him as an 'animal houser' who once spent two weeks as a human sandwich board trying to get elected as Student President. He succeeded.

He and Susanna met at a New Year's Eve party when a drunken Donovan virtually threw himself at her. "He just likes to have a good time," says Susanna in his defence.

That was two years ago and the couple now share a house in Santa Monica where he reads scripts and she practises her solo stuff out in the garage.

"I'm surprised we stayed together as long as we did," she says when asked if the split with the band came as a surprise. "Ten years is long enough. It was a relief."

She no longer needs the others around to help her write songs and neither, it would seem, does she need to get drunk to take her clothes off. The video for her debut solo single, *My Side Of The Bed*, had her writhing around and generally ruffling sheets in little more than a very short nightshirt.

"That was my idea," says Susanna proudly. "It's nice to be sexy and feminine. I don't find it at all embarrassing.

"It was kinda fun to make," she adds. "Even if it meant spending nearly 12 hours in bed for the shoot! The filming took place in an old furniture warehouse.

"I wanted it to look like the room out of *Last Tango In Paris*. It's one of my favourite films," she admits.

The video was the first time Susanna, the best-looking of the Bangles, had been allowed to hog the camera.

"With the group," she complains, "it was always a big thing who was on camera the longest. So we had to share the time equally. Now all you get is me."

Susanna Hoffs all by herself? We'd be the last to complain. ♣

she's here to turn you on!

Hi guys! Ginny here, giving you exactly what you've asked for! Loads of you wrote in asking if I'd pose in my swimming costume. Well, as you can see I've gone a whole lot further! So here I am: my swimming costume, a private jacuzzi and my pert little bum longing for a lusty, deep dip.

tummy button and over my swollen nipples.

When my pussy feels like this there's only one thing to do — can you guess what it is? I'm slipping a finger into my pussy right now, working it around slowly, and taking my time. I'm pushing it in deeper now and I can feel my whole body trembling.

I hope you guys, and girls, are getting as turned on as I am...

Wow, all I need now is a cute Club reader to slip out of their clothes and take the plunge with me. So while you're thinking about whether to join me keep 'em hot and wet for me until next month. See you then! ♣

letters to Ginny

Dear Ginny,
At the moment I'm on an InterCity train from London. I bought a copy of Club from the station before I got on the train, and my first glimpse of you got my cock instantly standing to attention!

Before long I'm deep in a dream about you. You suddenly walk into my carriage, dressed in a smart business suit which clings tightly to your curves and does your marvellous figure full justice. You ask me if the seat next to me is taken; I say no, and to my delight you sit down beside me. You cross your lovely legs, revealing just a hint of stocking top. I can't help staring at your smooth thighs — how could anyone tear their eyes away from such a sight?

I'm sure you know what I'd like to do next, but I just don't know how to say it. Perhaps you'll say it for me, Ginny? How do you feel about making the next move? I'd love to see you dressed up as a conductor... that would really make my journey home more fun! — *Martin, Wolverhampton*

I love the motion of trains, Martin; that rhythmic, bumping movement really drives me wild and has my pussy flooding. I've never actually had sex on a train, although one time I did get so horny I had to rush to the toilet and frig myself to a thrilling climax. I got some funny looks when I emerged, dishevelled and obviously well satisfied! I'd imagine encounters on a train could be pretty exciting, just like something out of a film. Perhaps it's time I tried it!

Dear Ginny,
Can I get in an early nomination for 1991's Girl of the Year? It has to be you, of course! You're beautiful in a classic sense, and very sexy indeed — a rare combination, and one that makes me tingle from head to toe!

My favourite fantasy is that we are business colleagues attending a conference together. We have got the hots for each other, and with a bit of luck we end up

staying in adjoining suites.

Making love to you in the sumptuous setting of a five star hotel would be a luxury in every sense... and a sensuous girl like you deserves the very best of everything. How does oysters, strawberries and champagne by candlelight, followed by a steamy session in the jacuzzi, sound to you? I'd like to see you in a satin slip that would glide to the floor as you slid the straps off your creamy shoulders; then each time I get a tantalising glimpse of slip during the next day's conference, I'd remember our night together! — *Tom, Guildford*

Ooh, you sound like you really know how to spoil a girl, Tom! I take guys as I find them (and I don't have much trouble finding them!) but it is nice to have a bit of a treat sometimes and get thoroughly indulged by some randy guy or girl. My idea of luxury is to be taken out for a romantic date somewhere quiet and intimate, then back for a glass of wine before a roaring log fire on a winter's night. Sounds corny I know, but it's the stuff that fantasies are made of!

Dear Ginny,

Your section is the high point of each month's Club as far as I'm concerned. No matter what you wear, you're always the horniest girl around!

My fantasy concerns you coming into the nightclub where I work. As you walk in, everyone goes quiet and just stares at you. Even the girls are eyeing your really gorgeous tits and pert bum — some enviously, some lustfully! You're wearing a skintight lycra mini-dress and high heels which accentuate your slim legs.

You perch on a bar stool, crossing your legs and giving me the occasional provocative glimpse of your flimsy G-string. As you get turned on by the thought of all the guys looking at you, you start wriggling on the stool, the hard leather rubbing your barely-covered pussy and driving you to distraction. Furtively, you ease your panties to one side, your eyes fixed on mine as you start to caress yourself. I bet you can guess what happens next! — *John, Newcastle*

I love going dancing in nightclubs, John, partly because dancing is the second best excercise you can get (and I don't need to tell any of you what the best is!) and partly because clubs are such great places to meet horny guys! And I do like wearing tight, figure-hugging dresses too, though usually I prefer to go without panties. My excuse is that it gives my outfit a nice smooth line, clinging to the curve of my hips and thighs... but I'm sure you realise it has other, naughtier advantages too!

Dear Ginny,

After seeing your pictures in the March edition of Club I just had to write and tell you how much you turned me on.

The pictures of you dressed in riding gear were really sexy. The way those jodpurs clung to your shapely bum was certainly a sight for sore eyes! The top that covered your tits like a second skin really showed them off to perfection, and when that came off I certainly wasn't complaining! — *Alvin, Leeds*

I'm glad you liked the pictures, Alvin. I really enjoyed getting dressed up in those jodpurs and riding boots a lot! Tight clothes have a way of squeezing my pussy lips together that feels so sexy it's a wonder I can walk down the street, my knees feel so weak! ♣

......IT IS NOW!

*It's that man again! Armchair sportsman extraordinaire, **Maurice Short**, helps us fill another couple of columns with all the things that you didn't want to know about sport. Quite remarkable...*

Petfood or opening batsman — what's the future for Dessie?

In my column this month I would like to address two of the questions which have been baffling level-headed sports fans for generations.

The first of these athletic conundrums was brought to mind while watching Wimbledon: why is tennis so crap? I have thought about this long and hard and I have come to the conclusion that it is not the game's, but the players' fault. Tennis, as readers are doubtless aware, was invented by the Eskimos. Pairs of Arctic hunters would often pause in the midst of their search for the ingredients of a jumbo whopper blubberburger, whip off a snowshoe, and commence batting a snowball to one another over a makeshift net provided by a sleeping polar bear. There was no prize money as there is today, but the winner was allowed to keep his opponent's huskies and sleep with his wife. As a result the call 'Game, pets and snatch to...' (later corrupted to 'Game, set and match to...') came into being. Alas the days of the great Eskimo tennis players such as Bagpuss, Fingabob and Billenben are long since gone. These stocky, fun-loving nose-rubbers have been superseded by loathesome modern tennis players. I discount women's tennis which has the positive advantage of being the only televised event to feature rear views of young women in mini-skirts bending over to reveal their knickers, but the men fit into one of two categories.

Type one: The completely boring wanker. Usually from Sweden or Eastern Europe. He wears an expression that suggests he is attempting to pass a small iceberg. When he wins his face lights up and he now resembles a man at a vicarage tea-party who's just realised that what he thought was going to be a sly fart is actually something a good deal messier.

Type two: The rabid lunatic. Usually American. Every time he loses a point he carries on like a three-year-old who's had his Teenage Mutant Hero Turtle face mask confiscated. His outbursts are so insane and fanatical you expect the umpire to call for a lobotomist. Instead he calls for the tournament referee. The referee fines the lunatic £200. This is 0.0000001% of what the Loony earns in a single week.

The solution to tennis's problem is, to my mind, a simple one — replace the ball with a hand grenade. It might slow the game down a bit, but just think of the delightful anticipation you'd feel as you watched John McEnroe put the spare hand grenade in his pocket. "New balls please!" would have a whole different meaning.

Sadly I can think of no easy solution to the next sporting puzzle: How can we make the English cricket team less shite? The selectors' answer is to keep picking more and more South Africans, but this

More bot without plot from our bum grope opera...

The regulars in the *Queen Dick* in Allbutt Square stood amazed as the prodigal ex-landlady Fanny Porker outlined her plans to strip it of bare bottom pictures and the original arse-itecture.

"Right, that's it then," said chirpy cockney cunt, Pete Feale. "It's all down to the Gropers Return in Neverfeeled."

So saying Ken Borelow, Alf Slobbish, Councillor Dierdre Dreary, Kevin and Silly Plebster, Vera and Jack Fuckwitt and the rest of the cast got on the bus and headed for the bum fun pub up North.

"But what about me?" cried landlord Alec Killjoy.

"Well, I'm going with them," said his wife, "even if I have to get a divorce and go back to being Butt Clynch."

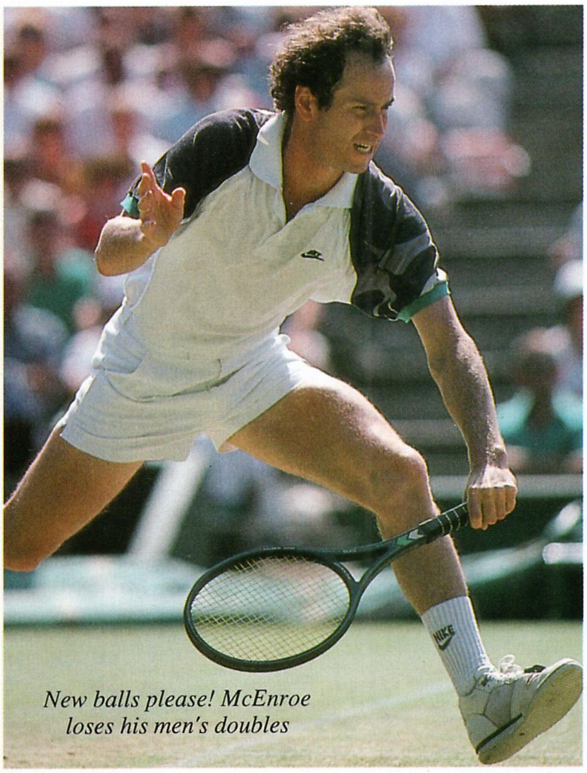
"What's happening?" enquired Arse Fowler and his wife Appalling.

"We're leaving this series for another one," said Bobby Grunt from nearby Backside Close. So, pausing only to change signature tunes, they walked into the *Gropers* where alcoholic tart, Mangie Botts, welcomed them with open cheeks.

"Don't worry, babes!" she said. "You'll always find something warm and cosy here. Would you like to slip into my snug?"

Pete Feale stared at the giant cleft that opened before him.

"Cor blimey, stwike a light, tweackle. What have we done?"♣



New balls please! McEnroe loses his men's doubles

doesn't seem to be working. My solution is far more radical. English cricketers often complain that they are tired and jaded from playing the game all year round — so perhaps the time has come to give them a rest. The team I'd like to see lining up against the West Indies is as follows: Desert Orchid, Judith Chalmers, Cleopatra's Needle, Captain Scarlet (Captain), a small piece of fudge, Zippy from Rainbow, a giant breast-shaped marshmallow (wicket-keeper), HMS Belfast, Skippy the Bush kangaroo, and Robinson's Barley water (12th man).

Some may quibble with one or two of my selections, but I'm sure they'd agree that my team could hardly do any worse than the present bunch.

Last year Graham Taylor dropped Paul Gascoigne from the England team to play Eire. This was seen by many, myself included, as yet another example of the English soccer administration's distrust of talent. I am unhappy to report another example of this prejudice against 'flair' players. In an exclusive interview, a FA spokesman told me that Graham Taylor had no intention of picking any of the ball-juggling cows from the *Anchor* butter advert. When further pressed by your correspondent, the spokesman said, "Are you drunk? Go away, or I'll telephone the police."

My mailbag this month has been about as large as an infertile chihuahua's scrotum. Just one letter. But what a letter it is! Sandra Biggins of Biggleswade writes: "Last week, while having my lunch in Green Park, I watched a group of handsome and muscular soccer players dishing out a heavy defeat to their ugly opponents. On closer inspection I noticed that the team were all wearing Club International T-shirts. Is it possible that what I saw was the Club five-a-side team handing out a 6:1 gubbing to *Men Only* ? And were you the really good looking one whose soccer skills caused one passer-by to remark "Crikey! Is that man the white Pele?"

Well, I'm pleased to tell you that you're correct on all counts, Sandra. And, in answer to your other question: perhaps, but only if you promise that the toffee won't get in my pubic hair.

Finally, if there are football managers out there who are looking to sign a talented foreign player, why not send your scouts over to RWD Mollenbeek in Belgium. The Brussels club have a forward called Lambic Wawa. I don't know if he's any good, but his name has kind of a ring to it, don't you think? ♣

TAPED!

*The man who's done for the adult video market what Bernard Manning has for race relations, **Allan Bryce**, finds the latest films to put lead in your pencil...*

What do butter and a sex star have in common? They both spread for bread. Well that's the educational stuff out of the way for another month, so let's get down to the nitty gritty of what's new in hand shandy material. Now if there's one thing I look forward to it's getting the old mince pies wrapped around a bumper batch of new releases from my old pal **Fiona Cooper**, the queen of home-made British blue.

Fiona's latest catalogue is positively bulging at the seams with amateur flashers of all shapes and sizes and there's something here for every taste. Some are real beauties, like raven-haired Linda, (who raised more than temperatures strutting her stuff in a nurse's outfit), while if you need a bit more meat on the bones to get your engine running, then check out Sindy, a bruiser of a babe who could frighten Mike Tyson out of the ring, and mighty-mammaried May, who is carrying enough excess baggage to make even Hattie Jacques look like an anorexic sparrow.

Fiona's main superstar is the delightful Stacey Owens. Regular sex flick fans will recall that Stacey has already featured in quite a number of Action Essential releases like *The Naughty Dreams of Miss Owens*. But the Fiona Cooper tapes showcase her at her horny best for the simple reason that there's no pretence of a storyline to waste time on, just an hour of mega-boobed magic as Stacey slips in and out of a variety of erotic outfits that bring out the bust in her.

Fiona also does a wide selection of sampler tapes so you can try before you buy, and her various specials really do offer different strokes for different folks. Apart from the ever popular big-boob bonanzas there are also cassettes devoted to delightful derrieres and girls in stockings and suspenders. And Fiona tells me that her regulars particularly go for for vids featuring gals in tights. So what are you waiting for?

Just occasionally a film comes along that breaks new ground and has an important message for audiences everywhere. The trouble is I never get out to see it because I'm stuck at home watching stuff like **I Bought a Teenage Vampire Motorcycle**. This is an outrageously entertaining horror comedy from the folks who bring you TV's *Boon* — but don't let that put you off.

The plot tells of a dopey motorcycle messenger who thinks he's got a bargain when he forks out just over a grand for a slightly shop-soiled Norton Commando. Little does he realise that it has featured in a black magic ritual and now runs on blood rather than petrol.

Of course he starts to get a little worried when the bike won't come out of the garage during the daylight hours. Then it takes off on its own rather than wait for him and proceeds to go on the

rampage biting the legs off traffic wardens. It's got excellent special effects that take in everything from people being chopped up to a talking turd!

Finally, here's a poser for you: what do you call a happy centurion? Glad-he-ate-her... Yes, all the Julius Seize-her gags come out in **Caligula Erotica**, a salacious epic about life at the decent end in ancient Rome. The film takes us back to those idyllic days when life was one long round of toga parties, sexual acrobatics, wine drinking and gluttony.

Sounds like fun, you think? Well you just try eating a bunch of grapes with ten vestal virgins sitting on your hooter! Anyway, historical scholars will remember that Caligula was the most feared tyrant of ancient Roman times. Some say he was mad, some say he was like Frankie Howerd with a drink problem. But according to this movie, Caligula was a man with a secret — he suffered from a bad case of brewer's droop.

Realising that if this gets out then the mighty Rome will fall overnight Cal secretly nips off to a sex clinic to get his imperial organ spray-starched. However, little does he realise that there is a group of merciless assassins laying in wait for him... I won't spoil it for you by revealing what happens next. Suffice to say that not since *Carry On Cleo* or *Up Pompeii* has there been such a powerful and disturbing look at ancient Roman history. ♣

myself on a bench directly opposite a rather tasty bloke who I'd had my eye on for weeks. I was wearing my short black skirt with my black stockings and suspenders, and, of course, no panties.

First of all I sat quite neatly on the bench and daintily nibbled on my cucumber sandwich. I looked up from time to time over my book to see if he was watching me and, sure enough, I caught his eye more than a couple of times. He was bound to look, as I'm an attractive brunette, with a very full, curvaceous figure, all topped off with a nice pair of tits.

Being watched like that really turned me on. I shuffled around on the bench, and opened my legs slightly to give him a better view, just enough so that he could see the top of my stockings. This was all done discreetly, as if nothing out of the ordinary was going on at all. I casually glanced up and he was staring right between my legs, which was my sign to go a step further!

I opened my legs a little bit wider, and, checking that no-one else was around, I slowly slid my hand up the inside of my thigh. My cunt lips were swollen already and I could fell a trickle of juice on my fingers as I began to stroke my aching clitty, right then and there! I clenched my bum cheeks together on the bench and arched my back and squirmed around on my finger, thrusting it deep into my soaking pussy. Forgetting where I was, I put my book down and began to squeeze

E.S. MAGAZINE

OOH LA LA!

Take one extremely attractive French bird, a load of bangs and crashes, mix 'em all up and what do you get? Not Vanessa Paradise falling arse over tit down a flight of stairs — no, we're talking about the latest thriller from the incredibly well-known French director, Jean Luc Whatizzname, you know, the guy that did that other French film.

Imaginatively titled *Nikita* after the lead character, the story goes something like this: Nikita is a junkie, who, while commiting a robbery on a chemist's shop is caught by the gendarmes. Faced with the choice between a death sentence or working for the secret service, Nikita spends the next three years training to be a top-grade government assassin. *(What happens if they catch you nicking a bar of chocolate from the Seven Eleven then? — The Ed.)*

Well anyway, to cut a very good story short Nikita gets to do lots of shooting and shagging in an hour and a half of sub-titled video. And guess what, we've got ten copies to share out between the people in the office... no, sorry, to give away to the winners of our *Perks of the Job* competition.

All you have to do is tell us why we should part with a copy of Nikita when we could quite easily take them all home and you lot would be none the wiser?

Once you've made up your mind then send in your answer on a French stick (or a postcard) to: *Perks of the Job, Club International, 2 Archer Street, LONDON, W1V 7HE.* ♣

With a body that is indeed heavenly, it won't come as a surprise to you to find out that Pauline teaches aerobics in her home town of Peterborough.

"Obviously, I have to keep myself in good shape," 22-year-old Pauline told us, casually tossing her long blonde hair back over her shoulders. "I'm very proud of my body and I love to wear outfits that show off my very best features.

"I've got a huge collection of underwear at home and nothing makes me feel sexier at the end of a long day than to indulge myself a little bit.

"I'll take a long relaxing bath, followed by an hour in front of a full-length mirror just rubbing oils and lotions into my naked skin. Then I'll finish by choosing my favourite garment and slipping into it.

"It's the only way to end a vigorous day at the gym."

Desert Prats!

*Desert racing in Britain suffers from one major setback — no deserts. But in sandier climes, it's thriving. Club's motoring correspondent, **Horst Pipe**, reports on a sport that's mad, bad and very dangerous...*

When we heard that knobbly rubber goods manufacturer BF Goodrich were sponsoring a team called Rough Riders to spend their weekends getting hot and sweaty and bouncing up and down a lot, we thought we'd come across a new brand of safe sex contraceptive. However, it turned out that the rubber bits in question were those chunky off-road tyres used for desert racing, and the only bouncing occurred as they re-established contact with planet Earth. On closer examination, desert racing isn't a lot like sex, and it doesn't sound very safe either.

Whilst they're probably a few cogs short of the whole set, European desert racers are a surprisingly sophisticated bunch; at least they are when compared to the Americans. These days a typical competitor in, say, the Paris-Dakar rally drives a complex computer-controlled, twin turbo-charged, four wheel drive, Kevlar supercar incorporating everything from state of the art high-lift multivalve technology to a COMSAT onboard satellite navigation facility. Your Yank, however, drives a pick-up truck.

The European machine, with its perfect 50:50 weight distribution, infinitely variable four-way torque split, multiple coil-over-shox independent suspension, sand-slicks and unsilenced straight-through competition exhaust, tenaciously grips the terrain. It also exhibits unusually pure performance dynamics, makes a lot of noise and will readily do 100mph up the side of a wadi. Under the same circumstances a pick-up truck will make a lot of noise too, and then probably fall over.

Although to most of us racing from the middle of nowhere to the middle of nowhere else and back again makes even bog snorkelling sound like a sensible way to spend a weekend, there is no denying that desert racing is on the up and up. As a spectator sport, however, it stands with powerboat racing — i.e. it's an absolute zero. In a typical race the flag goes up and the entrants vanish over the horizon, finally reappearing many hours later — or not, as the case may be. At least with offshore powerboats you get a spectacular start; with desert racing all you get is a spectacular amount of dust in your eyes.

Neither is it much better for the competitors who risk life and limb for no-one, competing in events like the Baja (which rhymes with haha, though you probably wouldn't be laughing after a thousand miles of Mexican sand and scrub). It's uncomfortable, sweaty, dangerous and ultimately pointless — plus you might die.

We're inclined to call the adventurers Desert Prats, but they prefer the term Enduro Racers; a nice touch you might say as 'Enduro' is an anagram of Our End, giving something for the driver and navigator to think about as they shoot North towards the desolate sandy wastes. ♣

Hi there, pop pickers. *Gudbye to Jayne, Merry Christmas Everybody, Cum On Feel the Noize* — just three of the smash hits from yob rock band Slade, right?

Not 'alf. In the 1970s, Noddy Holder, Dave Hill, the ugly drummer and the other bloke were one of Britain's biggest pop groups with single after single topping the charts. And now here's your chance to hear NONE of them on one fantastic album.

That's right, pop pickers, *The Slade Collection* (RCA) completely ignores such best sellers as *Coz I Luv Yu, Take Me Back Home* and *My Friend Stan.* Instead their latest LP features the Black Country band's releases from the non-entity years — 1981 to 1987, when everybody thought they were dead. Yes! It's a unique chance to relive the days after Noddy shaved his sideburns and lost his top hat covered in mirrors!

The Slade Collection (81-87) includes such vaguely memorable tracks as *Run Run Away, All Join Hands* and *My Oh My.* There are also lots of others we guarantee you'll NEVER have heard of! Ideal for parties — if the guests won't leave.

The Slade Collection is available from all crap Birmingham record shops and ones owned by overly nostalgic knobheads in the rest of the country. All right? ♣

TOP TITS

Viva bazonga! The Top Tits tour rolls on! After last month's funbag fiasco, I was driven to search out more curvaceous climes. I'd heard that strong chilli has a growth enhancing effect on women's wobblers so I climbed aboard my jolly jobblie jet and zoomed off to sunny Mexico — where I was amazed to find a huge garbonza bonanza!

Imagine my delight when I encountered a beachful of booby beauties tanning their capsicums and giggling as they wriggled about in the Pacific. These Mexican sexpots certainly aren't shy about their jobblies either: they'll show 'em off anywhere, the street, the shops, the bars — wherever you look, a saucy Latin nymphet has got her tits out. And you know what the strange thing is? No one notices! It seems the men are too busy sunning their own enchiladas — and my observations lead me to urge you to put chilli in *everything*!♣

Though tragically born part man, part woman and part dingbat, Robert puts a brave face on things. "Don't you worry about me — I'm a party animal!" he laughs, swinging his ample hips at the Club Friday night piss-up. Robert sees his role as "adding flamboyance to the magazine. I'm the one who jollies things along — and when I'm in the mood for a fun time, you'd better watch out!"

Robert, who was tragically born in Newcastle-upon-Tyne, reckons that being both sexes at once is a positive advantage in his work. "I can empathise with both men and women, which helps. On the other hand, I get beaten up a lot."♣

GRIPPING YARNS

The Mystery of the Bustling Rucker

*When there's trouble down at Miss Cox's School for the Daughters of Farming Folk there's only one man who can be relied upon to sort out the mess that follows. That man is **Shitehawk Bones**, aided and abetted by his faithful assistant, Twotson...*

CHAPTER ONE: A STRANGE VISITOR

Mr Shitehawk Bones and I were back in our rooms at 2B Pencil Street, following our sojourn on the island of Twinpeakos where my companion had solved the singular case of the Prince, the French maid and the pat of butter (you may recall that the outcome depended entirely upon the amount of time it took for a billy-goat to eat a silk brassiere). Since getting back, the days had passed quietly and my friend had begun to display the restlessness that was so much a part of his questing nature.

"Ha Twotson!" he cried as he fired a bazooka out of the window at a passing chestnut seller. "Another one of my deadly enemy Professor Welltarti's men will not be troubling us further!"

He strode briskly across the room, flung himself into a leather wing-chair and picked up a copy of *The Pall Mall Gazette* from the table. He studied it for a moment and then hurled it to one side.

"Extraordinary, Twotson!" he ejaculated. I wiped it up with my hankie. "A report in the newspaper informs us that at Miss Cox's School for the Daughters of Farming Folk one of the pupils, a certain Jeanette Bimbo, has vanished. Miss Bimbo, it appears, was the school's star rugby player and known throughout the county of Corsetshire as the Bustling Rucker. Girls' rugby! I can't say I see the attraction of it, Twotson."

"Well, frankly Bones," I declared, "I must confess that the prospect of watching 30 young women wrestling in the mud appeals only slightly."

"Only slightly, Twotson?" exclaimed my friend.

"Yes, Bones," I blushed.

"Well, then," laughed Shitehawk Bones, "I suggest, Twotson, that you remove that ferret from your trousers, for the way he is bouncing about in there may cause irreparable damage to the gusset of your plus-fours!"

Once again Bones' expert eye had settled on a little peccadillo, analysed it, and drawn the correct conclusion.

"What ho, Twotson," sighed my companion. "Enough of this tadger talk, for, if I am not mistaken, we are about to be called upon by a red-bearded dwarf with a wooden leg, who is carrying a rather large cardboard box."

At that very moment, a man entered the room who answered this description in every particular.

"Bones!" I cried. "How could you know?"

"Elementary, my dear Twotson," he replied. "Some 20 minutes ago I telephoned Peg-Leg Ginger Shorty's Pizzeria and ordered us a family-size pepperoni."

The man was a marvel. I had been thinking about pepperoni pizza all day.

CHAPTER TWO: A TELEGRAM ARRIVES

No sooner had we finished our pizza than there was a loud knock at the door.

"And now, Twotson," Bones postulated, "I think we are about to be handed a telegram by an old Scotswoman with a blackened face, singed pinny and kippers in her hair."

Once again my companion's supposition was correct in every detail. "Bones," I said, amazed once more at his perspicacity, "please explain this."

"Logic and observation, Twotson," observed Shitehawk Bones. "Forty five minutes ago I asked our housekeeper, Mrs McDrawsup, to prepare our supper. Today is Friday. Being a woman of religious persuasion I therefore assumed she would have fish on the menu. Five minutes later I heard her leave the house. From the direction of her footsteps I knew she had gone to the newsagent's. We already have our paper. Mrs McDrawsup neither smokes nor eats chocolate. In view of these facts I reasoned that she had gone to buy matches. Mrs McDrawsup is over 70 and suffers from the absent-mindedness common to those of advancing years. I guessed that having turned on the cooker, only to discover that she had not the means to light it, she would have forgotten to switch off the gas whilst she went to get the matches.

My supposition was thus confirmed when, 30 seconds after her return, there was a loud explosion in the kitchen. A close study of such matters has left me with the certain knowledge that when a Scottish senior citizen is struck on the head with a frying pan full of kippers, it takes 25 minutes to regain consciousness. I concluded that supper would be late and so took the precaution of ordering us that pizza."

"Bones," I gasped, "you are brilliant!"

"If he's so brilliant," muttered Mrs Drawsup, "how come he didn't turn off the bloody gas?"

"And the telegram, Bones, who is it from?"

My friend tossed the telegram to me unopened. "Mrs Cox at the School for the Daughters of Farming Folk, if I am not very much mistaken," he said.

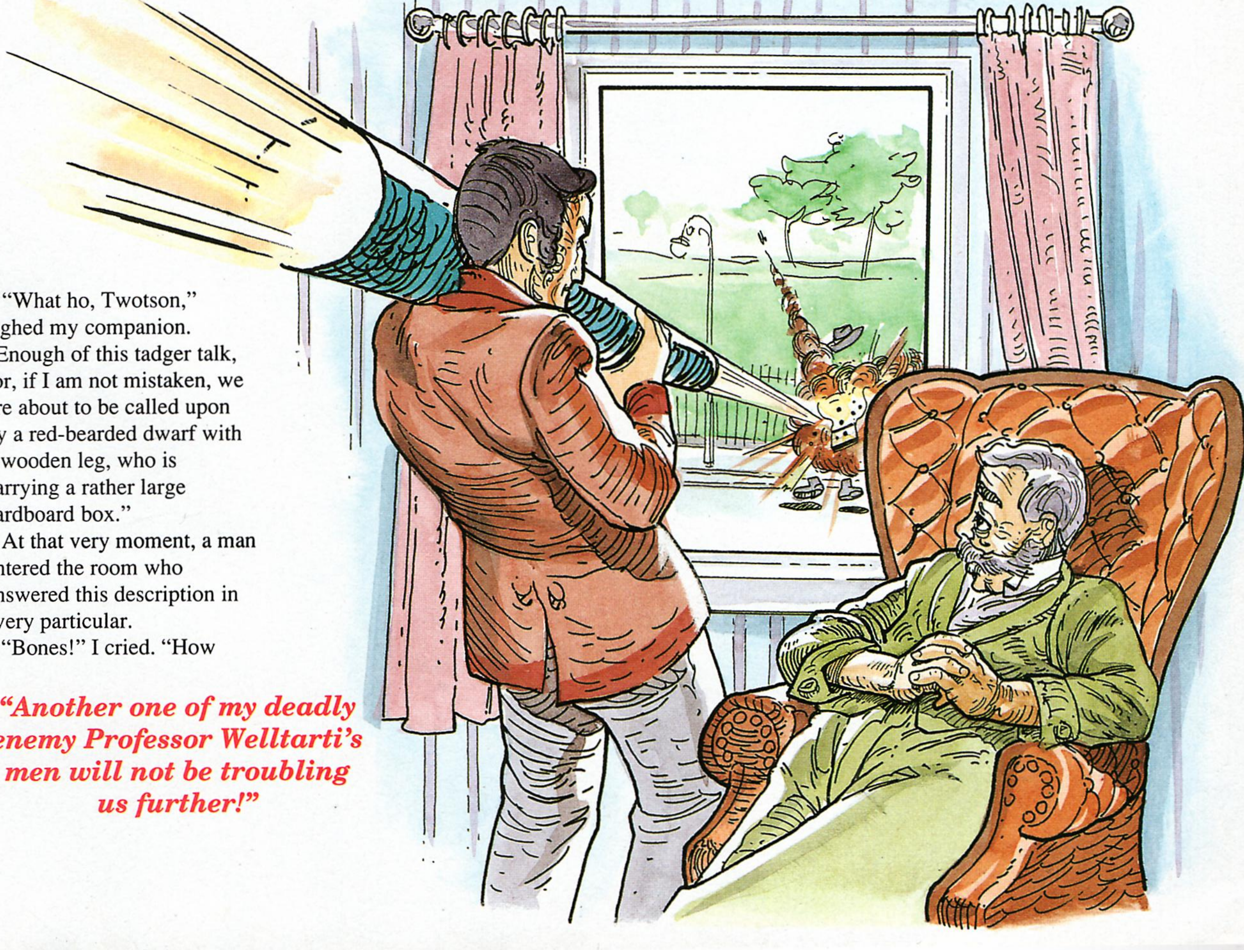
I quickly slit open the envelope. "Bones, you never cease to amaze me," I exclaimed as I saw that he was correct yet again.

"A mere trifle," yawned Shitehawk Bones.

"Not bloody likely," snapped Mrs Drawsup. "You can make your own bloody pudding." She stomped out of the room, slamming the door.

"If my reasoning is sound," my companion commented, "I think we are about to hear a number of loud bumps."

No sooner had these words left his lips than there came, from beyond the door, a series of bangs and crashes.



"Another one of my deadly enemy Professor Welltarti's men will not be troubling us further!"

"If I am not mistaken, we are about to be called upon by a red-bearded dwarf with a wooden leg, who is carrying a large cardboard box"

My astonishment must have been plainly written across my face for Bones quickly explained. "The stair carpet is loose, Twotson. But in her concussed state it seems unlikely that Mrs Drawsup should remember the fact. The result was to be expected." He waved his arm in the direction of the bookcase. "Pass me the train timetables. And while you are at it, call an ambulance. I believe Mrs McDrawsup has damaged her coccyx."

CHAPTER THREE: JOURNEY TO DESTINY

The following morning at dawn, Shitehawk Bones and I mounted a sleeper at Paddington. Afterwards we went to Waterloo and got the train. We were bound for the county of Corsetshire and the tiny village of Umbridge. As the express thundered through the London suburbs I became aware that my companion was in a state of some agitation. His face was pale, his teeth chattered loudly and he was shaking like a startled rabbit. "What is it, Bones?" I asked him.

"I am rather afraid," Bones declared, "that speed makes me nervous."

"Then as your doctor, I must advise you to stop taking it," I remarked.

CHAPTER FOUR: JOURNEY TO THE BUFFET CAR

As my friend and I made our decisions over the range of alcoholic and light refreshments, a selection of hot and cold snack and sandwiches, I probed him about the mystery we had been called in to solve.

"I have already drawn my conclusion, Twotson. It now remains for me to visit the scene and see if I'm correct."

I was flabbergasted. "How? What? Where?" I blurted.

Bones held up a hand. "Patience, Twotson, patience. As you know, until I'm certain, I am reluctant to reveal myself. However, I shall guide your mind in the correct direction. What would you say, Twotson, if you found yourself married to a large woman with hairy legs, a moustache and a 56 inch chest?"

My brow furrowed as I wrestled with this conundrum. At first I could make no sense of it, but slowly the obvious answer dawned upon me. "Darling, may I put my head between them and go blubablubabluba!"

Bones snorted loudly. "You bloody silly rucker, Twotson," he groaned.

CHAPTER FIVE: CLASH IN CORSETSHIRE

We arrived at Miss Cox's School for the Daughters of Farming Folk at 9 a.m. In assembly the girls were reaching the final chorus of the school song: *We'll ignore all the bruises, forget all the knocks/We'll give our all, for Cox, Cox, Cox.*

As the sounds of their singing echoed around the hall the young ladies filed out, leaving Bones and me alone with the school's headmistress, Miss Cox.

"You have been in India recently, I see," remarked Shitehawk Bones.

Miss Cox gasped. "You are correct, Mr Bones. I returned yesterday. But how on earth did you know?"

"Simple, my dear madame. You have a tan. You wear a new ring made from a type of gold peculiar to the subcontinent and there is no toilet paper left in your lavatory. No one of these clues on its own is remarkable, but put them together and the picture is unmistakable."

"Most clever, Mr Bones," replied Miss Cox haughtily. "Now if you will forgive me, I am currently refurbishing the school doorways and I am expecting a visit from the man who polishes the brasswork."

Bones motioned the young woman to remain where she was. "This man who buffs your knockers," he asked. "Is he your husband?"

The lady flushed. "I am *Miss* Cox, Mr Bones," she snapped.

"I judge from the flush in your cheeks," observed my companion, "that you miss cocks no longer. And that new gold ring confirms that the man rectifying the deficiency is your husband. Would it be improper of me to suggest that he is quite an expert at the up-and-under, Mrs... Bimbo?"

The terrible truth of what Bones was saying struck me instantly. "Oh no, Bones!" I cried. "Two women married to one another. It is too horrible to imagine... But wait a minute... Perhaps... Mmmm... "

Luckily my friend doused my passions with a bucket of cold water and I quickly came to my senses.

CHAPTER SIX: BONES REVEALS HIS RATIOCINATIONS

As the train rattled through the countryside, Shitehawk Bones sat in the corner of our carriage smoking. I put him out with a soda siphon and asked him to explain the brilliant process of deduction that had lead him to conclude the singular case of the vanishing Bustling Rucker.

"A simple case of observation and supposition, Twotson," he commented. "Until two years ago Miss Cox's school had a very poor record at rugby. This did not go down well with the local farmers who were always keen that school should teach their daughters never to shy away from a stiff tackle, or go down on a scrum. And if it built up their muscles so that they could throw a bullock over a five bar gate, then so much the better. At that time Corsetshire's leading male rugger player was James 'Jimbo' Bimbo of Old Poshnobians. Suddenly, without warning, he announced that he was retiring from the game and going to live in Borneo. The following season, lead by a new girl, Jeanette Bimbo, Miss Cox's school won every match they played. The result was that Cox's was swelled by a flood of extra pupils. Putting the facts together lead me to only one conclusion. Miss Cox, in order to cover up her role in Jeanette Bimbo's disappearance, had called us in as a elaborate bluff. One which we successfully called."

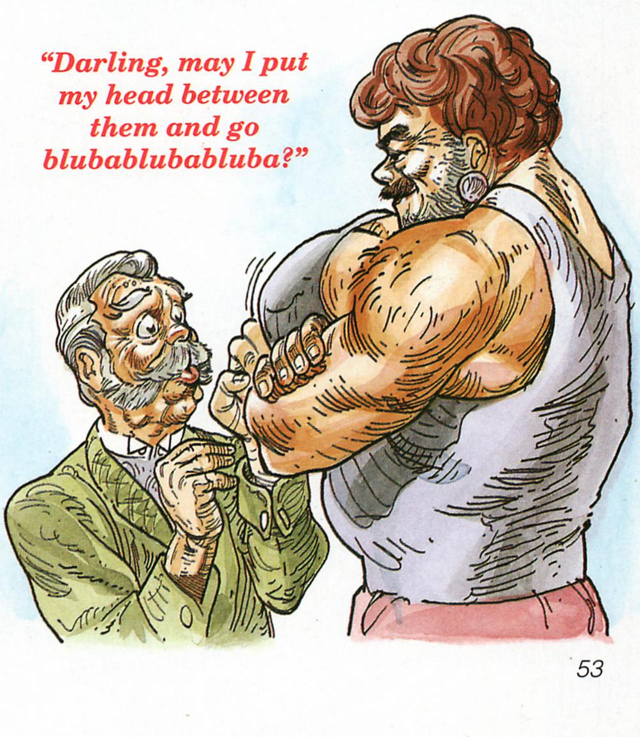
"But why did James Bimbo agree to do it?"

"I dare say, Twotson," he laughed, "that if you were offered the chance to share your bedroom with twenty five nubile 18-year-old females you would jump at the chance!"

I felt myself begin to colour. "But Bones," I stammered, "it would mean wearing ladies clothes. How awful!"

"Oh, I don't know," remarked Shitehawk Bones as he adjusted his bra-strap. "It wouldn't be too bad."♣

"Darling, may I put my head between them and go blubablubabluba?"



Shelley

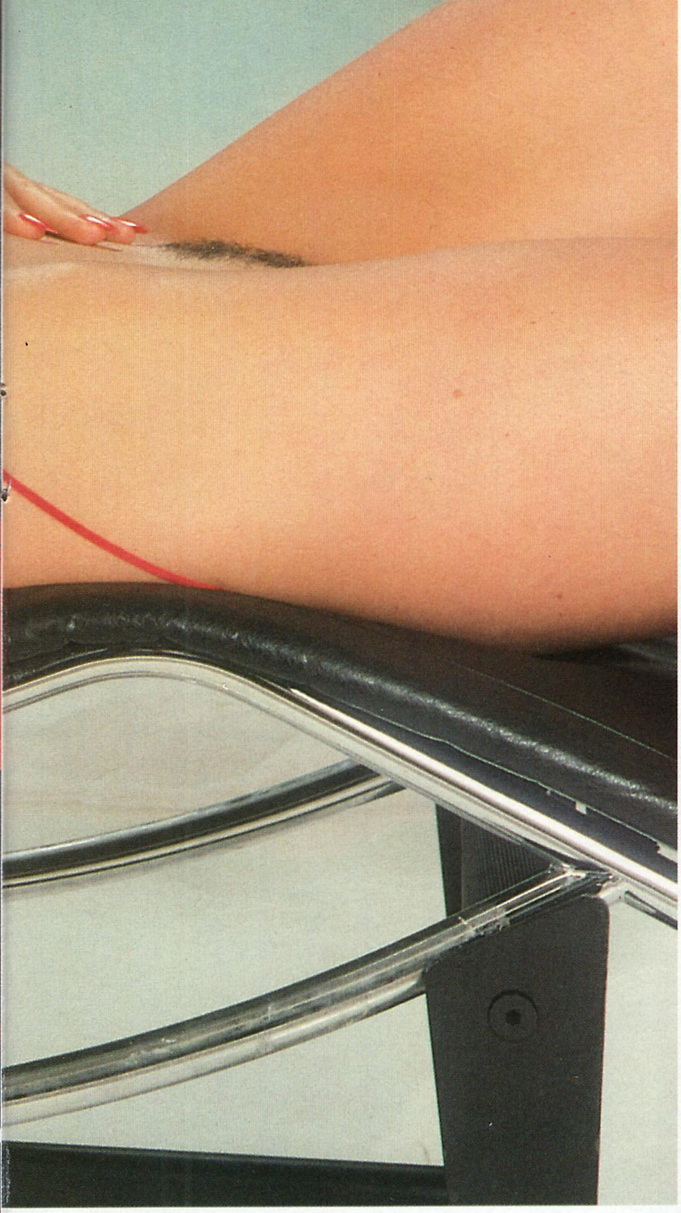
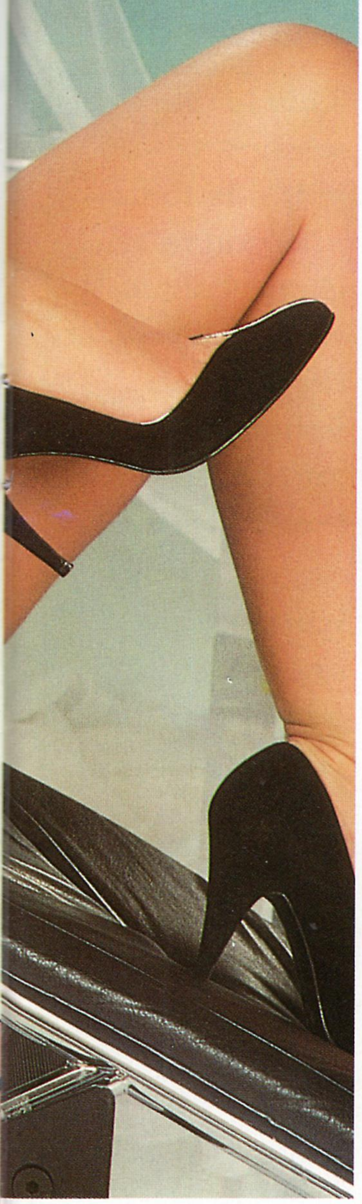
When it comes to hobbies and interests, London born Shelley has one that raises more than just eyebrows.

"I collect mens' telephone numbers," Shelley laughed



cheekily as she told us of her naughty past-time. "I've got a little black book and I've almost filled it. I can look in my book and fix a date any day of the week with any bloke from Anthony right through to Zak!



"I've got a few blank pages left though, so I need a couple of numbers to finish it. So, if there are any blokes out there called Vernon or Vasques , please give me call!"

We're sure they will, Shelley! ♣

WOMEN'S WRITES

Where the girls get down to business

Coming, Ready Or Not!

Hi, my name's Annabel. I'm 20 years old, and I have a curvy body with creamy white boobs and pure pink nipples. Due to a lucky inheritance, I have a large Edwardian house all to myself. It's the perfect setting for a party, but for my 21st birthday I wanted a good excuse to have my wicked way with a guy called Richard. I'd only met him the week before so he wasn't really used to my fun and games — yet!

By ten o'clock the dozen or so tipsy guests had gathered in the entrance hall.

"We're going to play a little game," I told them. My friends began to cheer, knowing where one of my games invariably leads.

"We're going to play Hide And Seek, except in this game the girls are going to seek the guys. Does everyone want to play?" All the hands shot up. "Oh and there's just one more thing I have to tell you — whenever a girl finds a guy, he's got to give her *exactly* what she wants.

"Now someone switch all the lights off, then us girls will line up here with our eyes closed and count to one hundred while you guys go and hide."

The blokes shot off in different directions while I peeped through my fingers trying to spot where Richard was heading. He ran up the stairs followed by two others, trying not to laugh as they tip-toed along. But at the top of the stairs I lost sight of them all.

As soon as we'd finished counting I shouted, "Coming, ready or not!" then us five girls excitedly set off in search of the guys.

I raced upstairs, confident that Richard would be hiding under my bed. As I opened the door I could hear a man's breathing but it was coming from the wardrobe. Not bothering to switch on the light, I opened the wardrobe door and slipped inside. Pushing the dresses and hangers out of the way, I reached for Richard's crotch.

"I've got you," I said gripping his packet, "and you know the rules so now you've got to give me what I want — your dick in my mouth!"

It was a bit cramped but I managed to slide to my knees as he unzipped his flies and got out what felt like six inches of throbbing meat.

"Mmmm, that's what I'm looking for," I sighed, rubbing the salty end of his tool along the length of my tongue. I could feel the end of his knob twitching at the back of my throat, growing with every lick of my tongue. I slowly wanked him off, using my thumb and forefinger on opposite sides of the ribbed skin.

Then I speeded things up, bobbing my head up and down and rubbing the sticky purple dick end around the inside of my cheeks. I sucked hard, easing the spunk from his balls till I could feel it pressing against my thumb at the base of his cock.

"Come on Richard, I want your creamy spunk!" I murmured.

The cock in my mouth stiffened even more and twitched as it pumped in and out of my mouth.

"I'm not Richard," said a voice over my head. "I'm Dave!" And he shot his thick load into my mouth.

"Oh well," I giggled, licking my lips to get every last drop of his come, "I suppose I'd better keep on looking then!"

And with that I slipped out of the wardrobe and crept off in search of Richard's dick.

As I entered the bathroom I could barely see my hands in front of my face, never mind the person trying not to make a noise from the direction of the bath. Perhaps this was Richard and I'd be getting my fill of his jizz at last.

"Got you!" I said for the second time that night. "Now lie back while I sit on your face. I feel so randy I could really do with someone licking my clitty while I get to grips with what's between your legs."

I whipped off my panties and crouched over the shadowy person. I felt breathing on my bum cheeks just before a stiff tongue probed its way inside my love hole. The unseen mouth worked along my dripping slit to my clitty. My pussy

began to pulsate, squeezing out drops of come as my orgasm approached. This was one guy who really knew his pussy licking!

I sank my head between my partner's legs and searched for the bulge in his trousers — but instead of trousers there was a skirt, and there was no bulge, only a smooth slope that ended in a pair of skimpy knickers. It was a girl, but which girl?

"I thought only the guys had gone to hide," I said, slipping my fingers inside the knickers.

"I'm sorry Annabel, but I thought it would be more fun getting caught," piped up the voice of my pal Patricia from between my legs.

"Well I was hoping I might find Richard," I said, "but till then..." And with that I pulled Patricia's panties down and stuck my tongue up her pussy as she did the same to mine.

I'd never been down on a girl before, but this was too good an opportunity to miss. Not that I could have gone far anyway, what with a fantastic orgasm coming up inside me and my head clamped firmly between Patricia's thighs.

The inside of her pussy felt soft against my tongue. I savoured my first taste of female come. Yep, I thought to myself as I fixed my lips round Patricia's clitty, I could really get a taste for this!

At the same time I rubbed my fanny up and down on my pal's face, sighing every time her tongue found its way inside my snatch.

Patricia came first, but I followed soon after, lapping up every drop of come that came within licking distance of my tongue. Then I struggled to my feet, found Patricia's face in the dark and kissed her, so we could taste our juices mingling.

"We must continue another day," I giggled. "But in the meantime, if you fancy a bit of cock have a look in the wardrobe in my bedroom. You won't be disappointed!"

I groped my way to the door and headed for the only remaining room on the upper floor. If Richard wasn't here he must have disappeared into thin air! In anticipation of my impending success, I stripped off the rest of my clothes, hurling my bra over the banister. When I found Richard I wanted to be ready for action!

Downstairs I could hear all sorts of laughing and squealing — the game was obviously going well, but I still had my eyes on a certain six inch prize.

Once inside the study I turned on the light, determined not to be mistaken about whose legs I was licking between this time. But even the sexy goings-on of the last hour could not have prepared me for what met my eyes. I had found Richard's cock, but where I had found it was another matter. For spread out on the table was Richard being ridden hard and fast by my friend Mandy, and the cock that I wanted was going in and out of her pussy!

In a flash I was kneeling beside the desk, licking Richard's pole just where it stretched Mandy's fanny lips. Mandy felt me trying to get my tongue inside next to Richard's cock and it must have really turned her on because she suddenly collapsed in a fit of pleasure.

By the time Mandy had finished trembling I was aching to get Richard's cock inside me. So I was more than happy when Mandy hopped off the desk and said, "Come on birthday girl. I think it's your turn!"

I grabbed Richard's dick and inserted it between my pussy lips. Then I sank down its length, enjoying the look of amazement in Richard's eyes as he fucked his second girl in two minutes.

Richard drove in and out of me. I knew that with the tender treatment that my clitty had been getting from Patricia it wouldn't take long to tip me over the edge into a climax.

"Coming ready or not," I giggled as I felt my juices flow out of my cunt and along Richard's cock.

And you know, I never did get to taste Richard's come that night. I was so tired after all that screwing that the birthday blow-job had to wait until the next day! — *Annabel, Manchester*

ON THE JOB

Panting In Panties

Hi, I'm saucy Sue, and I think a few of you might recognise me! Yes, I made my Club debut a few months ago, posing in some rather naughty white undies, and I enjoyed myself so much I couldn't resist sharing one of my sexy experiences with all of you.

As you might have guessed by now, I've got a bit of a fetish when it comes to lingerie. I love all sorts, from skimpy G-strings to silky French knickers and kinky basques, and on evenings when I'm staying in alone I often strip down to my undies. I especially like panties which can be pulled tight into my pussy, creating a tingling friction which soon has my love juice flowing.

So naturally when Steve, an old flame of mine, mentioned to me that a college pal of his had started designing lingerie I wanted to hear more. Steve went one better, and set up a meeting with the designer at her place in the countryside.

I turned up at Ingrid's house wearing a demure little dress, but underneath it I had some of my favourite white undies, and as always happens when I wear them, I was feeling pretty horny. To tell you the truth, I even stopped in a quiet country lane during the drive there so I could have a quick frig!

When Ingrid opened the door to me my jaw dropped and I just stood there for a moment, staring. She was a beauty, with a really sultry, sexy face and a great figure. She flashed a seductive smile at me and said, "Hi, you must be Sue. I've heard a lot about you." The way she said it suggested Steve had told her a few little intimate things about me... and I began to suspect we might be in for some real fun.

Ingrid led me through to her livingroom, a beautifully big, sunny room with a great view. Every chair and table was piled with exquisite lingerie. Ingrid put on some soft music and then went out to make some coffee, leaving me gazing enraptured at the frothy lace and the elegant silks and satins of her designs. Almost at once I began to experience the familiar tingling sensation that starts with my nipples and travels right down to my pussy. I was getting turned on just looking at all this sexy underwear, imagining how it would feel against my skin, and how it would look wrapped around my curves.

By the time Ingrid returned with the coffee I was feeling decidedly randy — if I had been by myself my fingers would have been buried knuckle deep in my cunt, but as it was, I had to do my level best to try and conceal my

very obvious excitement!

We sat and chatted for a while, me all the time trying to keep myself under control, and then Ingrid said, "Okay Sue, do you want to try some outfits on, and we can decide what styles suit you best?" I nodded eagerly, and she continued, "You get undressed while I pick out some things in your size."

I half expected her to show me some other room where I could change, but when she turned her attention directly to the clothes I just shrugged to myself and started to strip. I supposed as a designer she must have seen lots of naked models before — she probably just saw me as a clothes horse for her outfits!

I took off my demure little dress, and was just starting to unclip my suspenders when Ingrid turned round to look at me. "Wow, Steve told me you had a fantastic body, but I wasn't expecting this!" she cried, flashing me a teasing smile. I felt myself start to blush, to my amazement. I've never been shy about my body, but I guess Ingrid had caught me off guard, being business-like one minute and frankly flirtatious the next. Lowering my eyes and trying desperately to calm down, I started to peel off my stockings. When they were off I unclipped my bra, letting my firm boobs free. I could have sworn I heard a sharp intake of breath from Ingrid as my tits came into full view.

I stood there for a moment, uncertainly. Was it just my imagination, or was Ingrid getting as turned on as me? Then I hooked my fingers into the sides of my panties, and slowly pulled them down. Ingrid's sparkling eyes met mine.

"It seems a shame to cover up that wonderful body at all," she murmured, "but I think these will suit you." And with that she held out a pair of flimsy red silk knickers with a matching camisole. I've always loved the tantalising sensation of pure silk against my skin, and with Ingrid's eyes following my every move I really had to struggle to keep control when the cool fabric brushed against my pussy. I could feel myself getting really wet and it was getting pretty difficult to resist the temptation to slip my fingers into the crotch of the panties and rub my aching clitty.

"That looks great," Ingrid said softly, snapping me out of my reverie. "Now how about these?" And she held out a sexy cream basque and matching panties. I could hardly wait to get into them, but I was getting so randy I seemed to have lost control of my fingers. Hard as I tried, I just couldn't do up the hooks which ran all the way down the front of the basque. Ingrid giggled, saying, "You look like you need a hand," as she moved close to me. Her perfume was sweet and alluring, and I could feel her warmth as her sure fingers fastened the hooks for me.

When the basque was done up, Ingrid's hands lingered against my boobs. There was a real air of expectation building up between us; I knew something was going to happen, but I was getting so nervous waiting for it I decided I had to make the first move. Gently I took Ingrid's hand and pressed it more firmly against me, so she could feel my hardening nipples poking through the thin fabric. I let out an involuntary gasp as her fingers began to rub my nipple. I grabbed Ingrid's other hand and ran it down my body to my pussy, keeping my own hand clasped on top of it.

I was definitely losing control now, but I didn't care. Using the pressure of her hand and mine combined I began to rub and stroke at my cunt through the flimsy panties, feeling my love juice seep through the fabric and dampen my fingers. Now Ingrid's fingers began to move independently of mine, searching and probing around the crotch of the panties as they found their way to my sticky slit. I was wetter than I've ever been in my life; the slow build-up of lust through the afternoon had got me really hot!

Ingrid's finger slipped up and down my dripping pussy lips, then sought my firm clitty and began to rub it harder. By the time the tip of her finger had started to tease the edge of my love tunnel I could feel a climax building up. Without warning, one wet finger slid right up into my cunt, and I felt my pussy walls spasm as I came.

Ingrid began to finger-fuck me in earnest then, pushing my legs wider apart so she could get three wriggling fingers inside me. I was revelling in the sensations of ecstasy, but Ingrid wasn't satisfied.

"I want to taste your cunt," she said suddenly, kneeling down in front of me and pulling my panties right off so she had full access to my juicy hole. With gentle fingers she held my pussy lips wide apart so her tongue could reach right inside me. As she lashed at me with her hot tongue, her breath burning my sensitive flesh, I moaned my way to another incredible climax.

Once I'd calmed down a little — which took quite some time, as Ingrid didn't let up her pussy licking for a second — I looked down to see that one hand was burrowing between her parted thighs. I couldn't see too much as she was still fully dressed, albeit a little dishevelled, and I decided I couldn't wait a moment longer for a look at her naked cunt. Sinking to the floor beside her, I began to undress her slowly. She just lay back, smiling at me as I stripped her, one hand still playing with her pussy beneath her layers of clothes.

The body that came into view was spectacular. Her smooth tits were so beautifully shaped I had to pause for a moment to lick and suck them. Then I eased up her skirt to reveal stocking tops and an expanse of smooth thigh. Higher went the skirt, to show Ingrid's lacy knickers, pulled aside at the crotch as her fingers pushed in and out of her love box. Her fingers were shiny with juice, and her breathing was getting heavier. I worked her skirt right up around her waist, pulled off her panties, and watched avidly as she fingered herself to a climax in front of me. Although I've fucked girls before, that was the first time I'd ever seen that, and I found it an incredible turn on.

Straddling Ingrid's body, now gleaming with sweat, I dipped my head to her pussy and took an experimental lick. She tasted so sweet I stuck my tongue right into her without ceremony and began to eat her out enthusiastically, as she repaid the compliment with some more tongueing to my quivering cunt. We were rolling about the floor in our frantic 69 when a sharp tap on the window made us both freeze. Who should be standing there, grinning at us through the glass, but Steve, the guy who'd brought us together!

Stepping through the patio door, he said, "Hi girls, I hope you don't mind me interrupting but I couldn't resist seeing what you were getting up to. I just knew you two would get off on each other's body!"

I didn't mind at all — after all, I'd fucked Steve often enough in the past — but I wasn't sure how Ingrid would react. She was obviously so horny nothing would stop her though; her answer was to grab Steve and pull him towards her, unzipping his flies so she could get to work on his stiff dick. I moved up behind her, my boobs pressing aginst her back, my hand wrapped around the base of Steve's shaft as she sucked it, and my fingers sliding in and out of her dripping cunt. The faster I probed Ingrid's sweet pussy, the harder she sucked Steve's cock, and as he groaned and poured out his load into her mouth, her thighs clamped shut over my hand and she climaxed too.

We were far from finished though. Steve pulled me onto my hands and knees, knelt behind me, and pushed his shiny cock, still dripping creamy come, into my snatch. As he fucked me, Ingrid wriggled beneath me, face up so I could taste Steve's come from her mouth as she kissed me. Her fingers moved to my cunt, teasing my pussy lips as they were stretched apart by Steve's rigid dick. At the same time Ingrid placed her hand around the base of Steve's cock, pushing his length as far into my cunt as she could. Steve was groaning loudly as Ingrid alternated between caressing his balls lovingly and teasing my pussy lips with her fingers. When he filled me up with come she kept her fingers pressed against me so some of it ran down over her hand, then she brought it up to my face so I could suck the salty spunk from her fingers.

As I eagerly licked at Ingrid's fingers — making sure to get every single drop of come — Ingrid expertly moved her hand towards my pussy. Pulling apart my wet cunt lips she pushed a finger deep inside me, gently moving it around, probing my pussy walls. Ingrid really knew how to turn a women on, and every subtle move from her lithe finger elicited loud moans of approval from my lips. I could feel my cunt lips clamp tightly around her finger as I felt the familiar feeling of an impending orgasm ripple its way through my hot pussy.

Needless to say, Ingrid designs lots of underwear for me these days. I love her sexy designs — and trying them on always gives us an excuse for another wild sex session! — *Sue, Colchester*

COUPLES CONFESS

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us

My job as sales and marketing manager of a large industrial manufacturer has led me into contact with a huge number of attractive women over the years. I'm 30 now, and through my position, and having a bit of the gift of the gab, I have no problem pulling the women of my choice.

Recently, however, I had the tables turned on me — and it gave me the best sexual experience of my life! I've changed all the names here, because I don't want my wife to find out what I've been up to, and I know she often flicks through my copies of Club.

I always flirt with our women customers on the phone, mainly because I enjoy it but also because I know that a bit of smooth talk has often helped me to push a sale through more easily. Of all my customers though, my favourite one to deal with is Di. Her father owns a large warehouse in the West Midlands, and she's one of the directors of the company. Our phone conversations have always been a bit naughty — and our working relationship very profitable — but one day a few weeks ago Di suddenly said she was curious to see what I looked like, as we'd never met.

I told her I had a picture of myself and my wife on my desk, and I faxed a copy over to her. The phone rang minutes later.

"Not bad," she drawled in her deep, horny voice. "Pity about the wife though. Now it's my turn. It's only a drawing, because I haven't got a photo here."

The faxed drawing that Di had done of herself looked magnificent. If she was being truthful, she was a curvy brunette with very long legs, wavy hair and the kind of expression that made me certain that she loved, and wanted, a lot of sex.

Over the next few days Di teased me about the picture, her talk becoming less sales and more sex. "It turned you on, didn't it? Do you think I'm horny? You'd like to find out where the tops of my thighs really start, wouldn't you?" I had to admit to her that she was getting me excited talking like that.

"But your secretary, what does she think of you talking like that?" I breathed, as Di became more explicit about the precise way she'd like to strip me naked and cover me with strawberry yogurt, then lick it all off very slowly, finishing with the very end of my cock.

"Sara won't mind," Di replied. "She's just as much of a horny bitch as me. She can't wait to see if your body's as good as it looks under that suit in your picture. Here, talk to her while I fax you a pic of her."

I'd spoken to Di's young secretary several times, but this time when she came on the line Sara did all the talking.

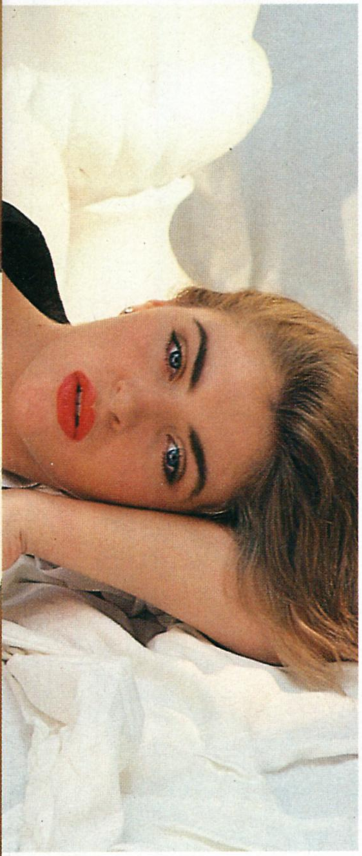
"Ooh, you are dirty,

Dave," she breathed. Her voice made me wonder what she'd look like lying on my bed fondling herself in front of me. "I know you'd like to suck my nipples, wouldn't you? Do you know how wet my cunt is just thinking about you doing that to me? I've seen your picture; you look gorgeous, Dave. I love tall, blond men."

I soon found out that Sara was a blonde herself when Di's fax came through. It wasn't too clear, but from what I could make out of the photo of Sara standing by her car in a pair of skimpy shorts and a halter top that wasn't halting anything, she was a petite but very well proportioned blonde.

Sara was still on the line. "And I'm blonde *all* over, Dave," she breathed. "Collar and cuffs. What do you think of that then?"

I was so aroused that I accidentally knocked the phone off the table and disconnected it. I could hardly believe my ears. These two horny women had just spent half an hour's business time getting me so horny that my cock was aching with the strain of holding back my come. I dashed to the loo then and wanked myself hard inside a locked cubicle. The bliss of the release I felt when I shot my load was incredible. I'd never been so aroused in my life, and they hadn't even touched me. They weren't even in the same county!



After that I knew it was inevitable that Di, Sara and I would meet, and I wasn't surprised when a couple of weeks later I had a letter from Di's dad, the MD of the company, asking me to come over to Kenilworth for a business lunch. I was even less surprised when Di rang me the day before and said that her father couldn't make it, but that she would be doing his business instead.

I've never had such a hard-on as the one I got when I saw Sara and Di standing together in front of me for the first time. Sara was blonde and cuddly and very sweet looking, while Di looked quite stern and statuesque. I licked my lips as both pairs of eyes immediately focused on my stiff cock that was straining the front of my trousers.

"I see you've come prepared, Dave," Di smiled.

I remember very little of the business lunch we had that day, but I certainly remember every detail of what happened when Di suggested that we continue discussions at her flat. As we drove there I could feel the excitement building up in both girls, and as soon as we stepped through the door they pounced on me.

Di started stripping me from the top as Sara worked her way up via my shoes. As I stepped out of my underpants Di and Sara each took one of my hands and led me through to the bedroom, then laid me back on the bed and told me to watch. Then they undressed each other.

Di did Sara first, and my balls were really twitching as I watched Di's red nails touching Sara's white skin as she stripped off her blue suit, running over her full boobs and teasing both Sara and me by brushing lightly over her pussy but not touching her lips. Then Di told Sara to do the same to her, though Sara was bolder, pulling Di's tight silk dress off hastily and reaching up to kiss and suck Di's tits and neck. She pulled on Di's nipples with her red lips until they were covered in lipstick and Di was moaning in pleasure and stroking her own fanny.

My hard-on was almost

hitting the ceiling, I was so stiff, and Di could see what a state I was in. “I can’t wait long,” I warned her.

“Don’t be too impatient,” she chided. “Sara and I have got a lot more where this came from.”

And she immediately bent Sara down so that Sara’s head was between Di’s thighs. Sara turned around to look at me over her shoulder, giving me a cheeky grin just the second before she buried her head in Di’s pussy and started to lick out her cunt.

The sight of Sara’s blonde hair against Di’s dark, wiry pubes would be more than enough for any bloke, and I had to hold my cock hard around the base to stop myself shooting my load too soon. Di’s hands were going crazy in Sara’s hair, gripping hard as her secretary’s tongue probed right into her and licked up her juices. At the same time I could see Sara’s hand busily working between her own legs, her bum thrust out behind her and her dark pink cunt lips wet and juicy and inviting.

I was transfixed, but just as I really thought I couldn’t hold back much longer and was about to start wanking off, Di and Sara separated and joined me on the bed, kneeling either side of me. I looked from one to the other — two pairs of lovely boobs above me, two wet and waiting pussies, and two women who I knew were real sex experts.

“Now we’ll move to second base,” Di announced.

Sara positioned herself between my legs, my cock sticking up like a flagpole just inches away from her juicy cunt. Di knelt behind my head and bent over so that she was half lying over me, her lovely tits dangling right over my mouth.

“Suck me,” she demanded, “and Sara will suck you.”

The next minute I felt the delicious sensation of Sara’s warm mouth clamping itself around my aching cock and sucking, slowly and softly at first, but soon building up faster strokes with her tongue as she could feel my cock hardening and lengthening inside her. Di thrust her boobs right over my mouth insistently and I sucked and nipped her teats with my teeth. She obviously loved it, because she kept talking the whole time.

“Suck me, you dirty bastard! Suck me hard, and then I’ll decide when you can fuck me!”

Sara’s cock-sucking was getting faster, and suddenly she pulled her head away and yelled: “He’s ready, Di — he’s going to spunk.” Quick as a flash Di reached over to the side table and pulled a condom out of its wrapper. While Sara gripped the base of my cock firmly, she rolled it carefully down the whole length of my sticky shaft.

As soon as it was on Sara was straddling me and I was right up her pussy with one thrust. She gripped me tightly with her cunt walls as she rode me in a frenzy, her hair and boobs flying as she felt my hard meat probing inside her and her orgasm fast approaching.

She screamed out to Di as she came, and I finally thought I was going to be allowed to let go too, but instead Sara lifted herself off my cock while Di firmly held the condom in place, then slid her own sticky cunt down my chest and pushed my cock into it.

The sight of Di riding me really was something else. She looked like a real Amazon, a fierce expression on her face as she moaned while I fucked her as hard as I could, playing with her clit to heighten her own pleasure. Sara looked on completely enraptured as Di gave a running commentary on her impending orgasm.

“I’m coming! I’m nearly there, I’m coming! Please, fuck me! Fuck me harder!”

But I couldn’t hold back any more, and shot my load inside the condom with a great groan of pleasure. That didn’t stop Di though.

“Keep it hard. You’d better keep it hard!” she panted as she carried on riding me faster than before, hugging my spent but still stiff cock tight inside her cunt. I thought she’d be fucking me forever, but then she gave a huge sound, a cross between a shriek and a moan, and came, falling down exhausted onto my chest, my half limp cock still hot and sticky inside her.

I could tell you about the whole of the rest of that day — and in fact the weekend, as the girls practically kept me imprisoned in that flat for the next two days! I had to make some very quick excuses to my wife about my meeting being extended to a weekend conference, and I only hope she is not getting too suspicious about all the urgent business trips I keep making to Kenilworth, because Di and Sara and I have done some great deals since then, believe me! — *Dave, Nottingham.* ♣

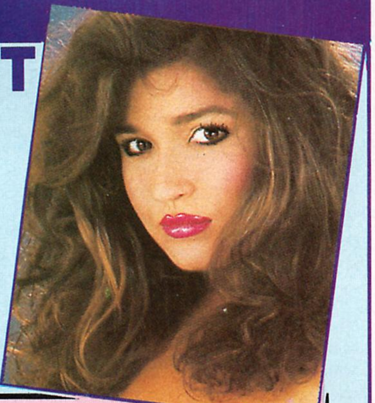
28 HARD SEX VIDEO FILMS ONLY 42p EACH

IMPORT SCAN RELEASES

THAT'S RIGHT — IT'S NOT A PRINTING ERROR —



IT'S A GENUINE OFFER OF 28 VIDEO FILMS FROM ME CINDY THRUST!

It's a one-off chance to grab these 28 video titles, never before seen in the U.K., at these prices, hard sex movies for an incredibly low £11.75 — that's only 42p each title.

WARNING!

- **Do not buy if you are likely to be offended by intercourse.**
- **Do not buy if the sight of group sex, all girl sex and orgy sex action might disturb you.**
- **Do not buy if the sight of adult action will upset you.**

You will see all these topics and many more featured right to the FULL CLIMAX in my original 28 video films, which should not be confused with all those other imitation advertisements on the market selling SOFT ENGLISH RUBBISH, ON LOW QUALITY VIDEO TAPE.

To keep the price down, these 28 titles have been run off in bulk, especially to knock our English competitors out of the market. Our guarantee to you is:-

BUY US — TRY US — AND YOU'RE SURE TO STAY WITH US!

Remember — when you receive your goods you will be given a security number code for future orders plus details of our new distribution centre in the UK.

MY VIDEO FILMS ARE THE REAL THING

Read the warning again, as it is not our intention to upset you — we are positive you will be riveted to your seats watching these incredible films, so I only ask that you:-

1. **BUY THE FULL COLLECTION OF 28 TITLES AT ONLY £11.75 — THAT'S ONLY 42p EACH**
2. **BE DISCREET WHEN YOU SEE THEM AND RECEIVE OUR EXPLICIT FULL COLOUR CATALOGUE OF OTHER OFFERS FREE**

The full range of 28 titles gives you 2 of every sexual subject you can imagine, guaranteed to whet the strongest palate!

ESV INTERNATIONAL CORPORATION

Hello My Friends

Yes, that's right, I am Guilty on all seven counts of giving **value for money** to my customers. Now I have moved into the UK from Denmark and have brought huge stocks of explicit sex videos with me. Don't confuse these explicit hard-sex action videos with the usual British rip-off rubbish. Let me assure you that these videos contain only genuine explicit hard-sex action which can no way be mistaken for your English videos. Because of old fashioned Britain's Censorship Laws and my explicit titles, I prefer you to order each video by its code number. I am sure you will be happier with full action content rather than an impressive title! So my friends (and we will remain friends when you see my quality and explicit action films) just make your choice and buy with confidence. Please check the bulk offers, as I can give a huge discount on two or more videos — the more you buy, the cheaper I can sell to you. Hoping we have much business in the future.

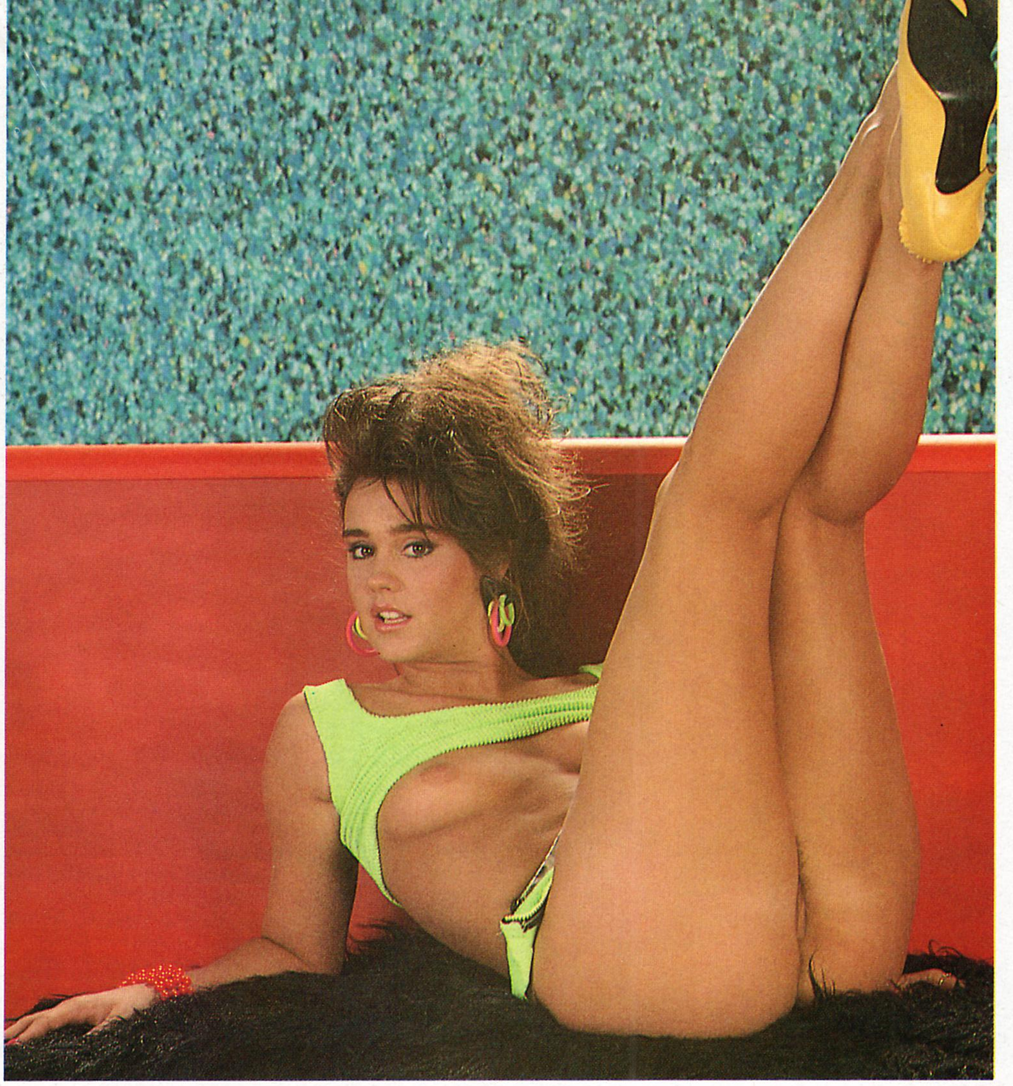
Sarah

Photographs by Glenn Morales

Since we saw her last, 20-year-old Sarah has been a very busy lady. "I've been training hard at my aerobics, getting myself in shape," giggled Sarah, bending over and wiggling her gorgeous behind at the camera. "What do you think, then?"

Rendered speechless, our man just took loads and loads of pictures — and we're sure you'll agree that Sarah's pert cheeks and tantalising breasts deserved all the film we



lovingly lavished on them.

But that's not all that Sarah's been up to since you voted her one of the Girls of the Year. "I've been taking an aerobics class — for men! They think they can keep going for ages and that a girl couldn't beat them, but they're panting long before I've worked up a sweat!"

Sarah has an unfailing method for boosting her lucky pupils' morale as well. "I tell them that if they can keep at it, they might just have a hope of keeping up with me in bed!" ♣

marika

Marika may well have only just turned 20 years of age, but she's still one of the naughtiest girls that we've had the pleasure to meet.

"Just 'cos I'm small, petite and blonde doesn't mean I'm all sweetness and light!" laughed Marika wickedly. "Guys still expect me to act demure and shy at first, but they learn better!

"I love dancing, it's the second best way to keep fit, and if I'm at a club I'll put on a real show on the dancefloor,

rubbing my hands down my hips and pushing out my boobs so all the guys can get a real eyeful. And that's only if I'm dancing by myself!

"After three or four songs like that, the guys are queuing up to ask me for a dance!"

Yeah, we bet there's a few guys out there who'd like you to shake their funky stuff, eh Marika? ♣

COMING IN club

Here comes the bun!

Like all Club girls, Dawn's always ready to brighten up a bloke's day — but why is she wearing stockings and suspenders under her jeans? "I just couldn't decide which was sexier, so I decided to wear both!" she simpered, or she would have done if we had asked her, but we forgot. Next month you can read even more rubbish like this in your all-crap Club International! But never mind, at least Dawn takes all her clothes off as well. ♣

cock so much, that I was sure that both of them could see the bulge in my trunks as they walked towards me.

"Hi, I'm Lori," the blonde girl said, "and this is my best friend Debbie."

I introduced myself and we began chatting. They were very friendly and commented quite brazenly on the lack of male company.

"So, you're on your own?" Debbie asked enticingly.

"Unfortunately," I replied.

At that moment they got up and jumped into the pool, swam to the surface and began talking to me while leaning on the side. I had a brilliant view of their tits and had trouble concentrating on what I was saying.

Just then, both Lori and Debbie pulled themselves out of the water. I was speechless as I saw the way their bikini tops clung to their huge tits. This was all too much; I made my excuses, and headed back up to my room.

As I got inside the room I yanked off my trunks. Just as I was about to lie back and enjoy a slow wank there was a knock at the door. Before I could cover myself up and go to answer it, in walked Debbie and Lori.

"Would you like a hand with that?" Lori asked pointing at my rigid cock. Debbie shut the door behind her. As they walked towards the bed both girls undid their bikini tops and took off their briefs.

"That's one beautiful cock, Gary. Mmm, it's really long and thick," Lori cooed as she sat down on the bed and started stroking my shaft. Slowly, she started running her hand up and down its swollen length. Then she straddled me. Debbie moved down behind Lori and, grabbing my tool, she positioned it at the entrance to Lori's wet pussy.

"Ride him, Lori!" Debbie cried, "take it all inside your pussy!" Lori bounced up and down on top of me. I reached up and started playing with her nipples, rolling them around between my fingers.

Debbie was obviously feeling left out at this point as she pushed Lori just far enough in the air to be able to put her hands around the base of my cock and she started wanking me while I was inside Lori's pussy. As you can imagine, it wasn't long before I shot my wad.

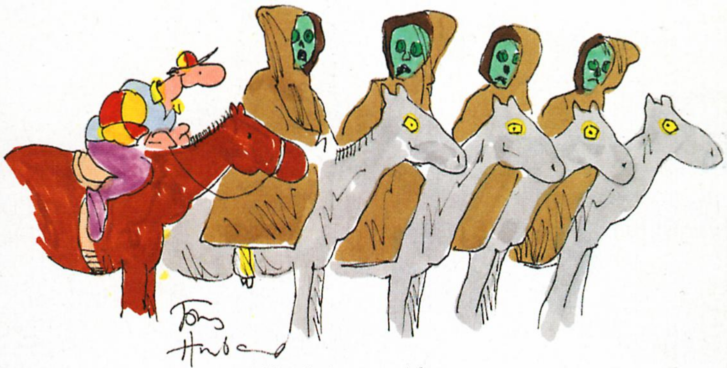
I groaned as I emptied my load into Lori's warm pussy. Lori sunk her tight cunt walls down the length of my shaft and practically sucked the cum from my cock. She climaxed at that very second, and I felt her pussy open and release her own juices.

"It's my turn now," Debbie cooed. "I want that cock inside me."

As soon as I felt Debbie's hands clamp around my cock, it quickly regained its hardness. Debbie arched her bottom towards me and turning her head around she guided my cock into her pussy.

"Fuck me with that hard cock," she pleaded.

Instead of pushing right into Debbie's cunt I slowly eased it in, teasing her pussy lips.



No, he's not with me.

"Oh, yes, that feels good, Gary," Debbie moaned. I rode Debbie until she was practically screaming the hotel down. Lori was obviously enjoying this too, she had sat down on a chair on the other side of the bedroom and had her legs open as she furiously fingered herself.

"Ahh, faster, that's good," Debbie cried as my balls slapped against her cunt. I felt my cock twitching and my balls heaving but just as I was about to come Lori raced over from the chair and pulled my cock out of Debbie's cunt and pointed it in the direction of Debbie's arse. I shot globs and globs of thick spunk over Debbie's creamy white bum cheeks. Lori immediately started rubbing my spunk over Debbie arse cheeks as Debbie let out a loud moan.

"Mmm, I just love cocks," Debbie sighed as she lifted herself off me. Lori nodded her head in agreement.

Needless to say we carried on fucking each other for the three days that I remained there, and I reckon I had the best-serviced cock in the whole of America! I'm hoping to go to Boston to see Debbie and Lori during the summer, so look out for some more letters! — *Gary, Glasgow* ♣

FINAL SCORE

*Club's trivia correspondent, **Vinnie Sprocket**, lists 20 things your mother never told you — presumably starting with the name of Vinnie's father...*

1. Hands on sex
Problem: No-one tells you that you have to actually use your hand to guide your knob into her twat. Consequently, the first time you ever try to do it hands-free you'll thrust not unlike an epileptic seal — and end up somewhere near the back of her knee.

2. Foul-mouthed women
Problem: She insists on shouting "Fuck me, fuck me with your throbbing red cock, you bastard. Fill my cunt up, wanker," when you're staying with your granny in a paper-walled prefab in Bexhill.

3. Premature ejaculation
Problem: It's not like it is in magazines. Not the first time anyway. But no-one tells you you'll only last five seconds before coming and then spend the next 25 minutes pretending you haven't.

4. Girls who try to pull your knob off while they're wanking you
Problem: It fucking hurts. I mean you've been doing it perfectly all right for years by yourself and along comes some lady who thinks it feels nice to try and yank your chozz off. And you're too shy to tell her otherwise.

5. Shaving rash
Problem: As if muff-diving isn't strenuous enough. With tongue ache, jawache and a bedful of saliva already, the last thing you want is to feel like you're French-kissing Rolf Harris.

6. Role playing
Problem: She says, "Oh go on, you pretend you're the evil Count and I'm a sweet young virgin ripe for the plucking," when your last dramatic performance was the school nativity play.

7. Girls who won't do it with the lights on
Problem: You spend your whole life waiting to confront a real live fanny in the flesh and then she won't let you look at it. A kind of braille version of voyeurism.

8. Girls who use their teeth during oral sex
Problem: The more it hurts the more you scream, and the more you scream, the more she thinks she's pleasing you so she does it harder. A vicious bite-scream-bite cycle.

9. Backfastening bras
Problem: You can *never* get them undone and when you do you're always disappointed with what you find underneath.

10. Perversion
Problem: You fancy a simple shag and she wants to dress you up as a fireman, tie you to the bedpost and smear your bollocks with lemon curd first.

11. The wet patch
Problem: Er, it's soaking wet, and you'll both spend all night arguing about who sleeps on it.

12. PMT
Problem: Your other half — who only days earlier professed undying love for you — now tries to kill you for absolutely no reason. And she expects you to be sympathetic?

13. Headaches
Problem: While your genitals prime themselves for a sexual onslaught, hers have gone on indefinite strike.

14. Bollock ache
Problem: Aftermath of number 13(See above).

15. Doing it more than twice a night
Problem: It's not a problem. Of course not, but, hey, you gotta get some sleep sometime, huh?

16. Post coital conversation
Problem: Very difficult unless you talk in your sleep.

17. Pubic dental floss
Problem: Being careful just who you smile at after indulging in some serious cunny.

18. Brewer's droop
Problem: You get rat arsed, get horny and your knob does an impression of a marshmallow.

19. The female orgasm
Problem: She wants one.

20. Unwarranted erections
Problem: They have a mind of their own. ♣
